

ROUTINE PROCEEDINGS

Wednesday, May 17, 1911.

Presentation of Petitions.

Reading of Petitions.

Reports of Committees.

Notices of Inquiries and Motions.

For Wednesday, May 17, 1911.

No. 1.

By the Honourable Mr. Landry:—

May 12—Where does the error occur in the figures published concerning the population of Canada on March 31st last, computed at 7,901,531, whilst the addition of the figures for each province and the Territories gives the total of 7,890,592?

Where should the difference of 10,939 be placed?

No. 2.

By the Honourable Mr. Landry:—

May 12—1. Who replaced Mr. Vautelet as Government Engineer in connection with the construction of the Quebec bridge?

2. When was he appointed?

3. Of whom is now composed the Commission of the Bridge Engineers?

4. What is the annual salary of each of its members?

No. 3.

By the Honourable Mr. Landry:—

May 12—That an humble address be presented to His Excellency the Governor General; praying His Excellency to cause to be laid on the Table of this House, copy of all Orders in Council and of all correspondence between the Department of Militia, the Dominion Government and the Quebec Provincial Government, the Quebec municipal authorities and the Quebec Exposition Company, on the subject of the construction of the Quebec Drill Hall, of the money contribution of the city and province; of the use of these buildings and of the refusal of such use, for provincial exhibition purposes, of the claim based on such refusal, and on the subject of any other application in connection with the holding of Provincial or Dominion exhibitions at Quebec?

No. 4.

By the Honourable Mr. Landry:—

May 10—1. Has the sum of \$300,000 subscribed by the City of Quebec, in aid of the construction of the Quebec bridge, been remitted by the Government?

2. When and to whom?
