

THE CARNEGIE FOUNDATION
FOR THE ADVANCEMENT OF TEACHING

522 FIFTH AVENUE
NEW YORK

June 15, 1923

Sir Arthur Currie
McGill University
Montreal, Canada

My dear Sir Arthur:

The executive committee of this Foundation at its last meeting did not feel that it could formally restore Professor Macullum to the expectations that he had of a retiring allowance before his withdrawal from the University of Toronto. The committee, however, left the matter without any record in its minutes in order that the question might be reopened at the time when Professor macullum approaches actual retirement.

Very truly yours

(Signed) Clyde Hurst

Secretary
