She Was in Bed For Seven Weeks

Then Dodd's Kidney Pills Cured Madame Berube.

Montreal Lady Tells How, After Four Years' Illness She Found a Complete Cure for All Her Troubles.

MONTREAL, Que., May 29.—(Special.)—Madame J. Baptiste Berube, residing at 1393 Logan avenue, this city, asserts that after four years' suffering from kidney disease she has been completely restored to health by Dodd's Kidney Pills.

"I had a pain in my left side around the heart," Madame Berube says in her statement. "I suffered constantly with headache and backache, and for seven weeks I was in bed with kidney disease and feebleness. The doctor could not help me, so I decided to try Dodd's Kidney Pills.

"After the first box I was some better. I continued to use Dodd's Kidney Pills, till now the palpitation has left me, and I am a well woman, able to do my work. Dodd's Kidney Pills cured me and I recommend them to all persons who suffer as I did."

Notice how many women are rising to tell their suffering sisters they can find relief in Dodd's Kidney Pills. The reason is that nine-tenths of women's ills spring from diseased or disordered kidneys. Every woman whose kidneys show signs of weakness should use Dodd's Kidney Pills.

SYMPATHY FELT IN PARLIAMENT

Intimation by Premier That Assistance to Families of Victims is Probable.

Canadian Press Despatch.

OTTAWA May 29.—The wreck of the Empress of Ireland was brought up in the house of commons this morning and evoked sympathetic utterances from both the premier and the leader of the opposition. Right Hon. Mr. Borden referred to the terrible loss of human life, but hoped that the report as to the number of lives lost was exaggerated. He said it was an accident that could not have been prevented by any action which the country could have taken to render navigation safe. It was just one of those accidents which could not be prevented by any action on the part of the government. He expressed sympathy for the families of those who lost their lives and intimated that some assistance to them might be considered later.

Sir Wilfrid Laurier said it was hard to understand how an accident a few miles out could not have been prevented, but he hoped that investigations would show that it could not have been. He was overcome with the terrible news and expressed his sincerest sympathy for the families.

COLLIER STORSTAD TO STEAM TO QUEBEC

Vessel in Bad Condition, But Able to Float on Bulkheads.

Canadian Press Despatch.

SYDNEY, N.S., May 29.—The collier Storstad will be able to reach Quebec under her own steam, according to a wireless message received by the Dominion Coal Company from the government steamer Lady Evelyn this afternoon. The message made no mention of the Empress of Ireland's passengers being on board the Storstad.

The Lady Evelyn reported that she was lying alongside the Storstad, which was badly damaged, but able to keep afloat on her collision bulkheads.

Quick Delivery System.

Since March 1, the Seattle, Wash., postoffice has been operating one of the most complete systems for quick delivery of parcel post packages of any city in the Union. The secret of this efficient service is a flying motorcycle squadron. Almost as quickly as a package is dropped in the postoffice, one of the members of this squadron is chugging away with the package to its destination. This service is of especial advantage to local merchants, who are required to deliver packages to distant parts of the city. The goods can be mailed at the postoffice and will be delivered to the customer much quicker than would be possible by the merchant's own delivery system.

Canadian Press Despatch.

MONTREAL, May 29.—Intense excitement prevailed this morning at the C.P.R. offices, hundreds of relatives clamoring for information. The C.P.R. officials tried to secure a list of survivors early, but were handicapped on account of the few wires to Rimouski being choked with messages.
