# "THE LEADER"

## CROSS-CUT SAW

Manufactured only by

R. H. SMITH CO. LTD.,

ST. CATHARINES, ONTARIO.

A Gauge is furnished with each Saw to regulate the Clearing Teeth.

Full directions for Setting and Filing are etched on every Saw.

The above Saws are made from the best Double Refined Silver Steel, warranted four gauges thinner on back than front, and the only Saws on the market that are a perfect taper from the front of the teeth to the back.

They are tempered by the Simonds Patent Process, insuring a perfect uniform temper throughout the plate, and stand without a rival as the best, fastest and easiest-cutting Saw known. For Sale by the Trade generally.
