

Trichinosis, contd.

- tenderness of the spine in .. 785
- trichinellæ in muscles in .. 501
- in stools in .. 501
- trismus from .. 801
- Tricocephalus dispar (*Fig. 151*) .. 563
- no blood changes with .. 33
- as cause of eosinophilia .. 219
- Trichophyton acuminatum .. 272
- crateriform .. 272
- cultures, classification .. 273
- sulphureum .. 272
- violaceum .. 272
- Trichophytosis (and see Ringworm and Tinea) .. 272, 273, 275
- Tricuspid area, systolic bruits over .. 106
- regurgitation, absence of
 - bruit with .. 106
 - from alcoholism .. 213
 - bruits of .. 239
 - in chronic bronchitis and emphysema .. 246
 - pain and tenderness in the back from .. 789
 - pulsation of liver in .. 107
 - secondary to mitral .. 239
 - thrill with .. 791
 - stenosis, presystolic bruit in .. 110
 - thrill with .. 791
 - valve, fungating endocarditis of .. 321
- Trigeminal nerve, tumour of, neuralgic pain and tenderness due to .. 783
- neuralgia from a carious tooth .. 495
- - coryza in .. 203
- - earache associated with .. 230
- - from Gasserian ganglion disease .. 496
- - in glaucoma .. 838
- - gummatous meningitis .. 496
- - periorbitis .. 496
- - herpes zoster .. 496
- - persistence of pain for months in some cases .. 496
- - iritis .. 495
- - scars of old herpes in .. 496
- - from tumours at base of brain .. 496
- - of 5th nerve .. 496, 783
- - major .. 495, 496
- - absence of sensibility in .. 496
- - - muscular paresis in .. 496
- - age incidence of .. 495
- - cutaneous flushing in .. 495
- - isopathetic, diagnosis from symptomatic trigeminal neuralgia .. 496
- - - lachrymation in .. 495
- - - photophobia in .. 495
- - points in diagnosis of .. 495
- - reflex spasm of muscles of affected side in .. 495
- - - salivation in .. 495
- - - subjective sensation of swelling in .. 495
- - - trophic changes in hair and skin in .. 495
- - - no wasting in .. 496
- Trigonal region of bladder, affection of, causing penile pain .. 441
- Trigonal coma due to .. 137
- Triple phosphate crystals in urine (*Fig. 1551*) .. 573
- Triphexia, infantile .. 155
- TRISMUS .. 801
- absent in hydrophobia .. 162
- or late in strychnine poisoning .. 162
- from alveolar abscess .. 717
- in hysteria .. 162

Trismus, contd.

- tetanus .. 162, 178, 463, 509
- various conditions simulating .. 801
- Trochanter, great, bed sore over .. 285
- Trommer's test for glycosuria .. 289
- Trophic changes in skin, nails, and joints in syringomyelia .. 128, 285
- lesions in acquired infantile paralysis .. 155
- - infantile paralysis .. 131
- - ulcers in paralytic talipes .. 130
- Trophoderma, hereditary (see Milroy's Disease)
- Trophonemiosis, gangrene from .. 284
- macules in .. 423
- Tropical abscess of liver (see Abscess, Hepatic)
- climate, dengue in .. 506
- effect in producing active congestion of liver .. 371
- - yellow fever in .. 372
- diseases, cachexia from .. 459, 461
- - loss of weight in .. 818
- - oedema of legs in .. 459, 461
- - severe anaemia from .. 459
- Trousers, ill-fitting, a cause of priapism .. 586
- Trousseau's sign .. 3, 178
- Truss, enlarged groin glands from .. 798
- ill-fitting, testicular atrophy from .. 78
- Trypanosoma gambiense (*Plate XII, Fig. G, p. 696*) .. 34
- in cerebrospinal fluid .. 340
- Trypanosomiasis, blood changes in .. 34
- lymphocytosis in cerebrospinal fluid in .. 339
- trypanosomes in cerebrospinal fluid in .. 340
- Tubal abortion (see Abortion, Tubal)
- disease, referred pain in the area of 10th dorsal nerve in .. 509
- gestation (see Gestation, Ectopic; and Abortion, Tubal)
- - ruptured (see Gestation, Ectopic; and Abortion, Tubal)
- Tubercasts (see Casts, Renal)
- Tubes, distended Fallopian, causing dyschezia .. 150
- Tubercle bacilli (see Bacillus)
- Tubercles, choroidal (and see Choroid), with Cheyne-Stokes respiration .. 125
- in meningitis .. 341, 699
- ophthalmoscopic appearance of (*Plate VIII*) .. 493
- unilateral exophthalmos due to .. 254, 255
- (and see Nodules)
- Tuberculides (see Scrofuloderma)
- Tuberculin in exclusion of tuberculous peritonitis .. 719
- injections in diagnosing chronic abscess of bone .. 752
- - Addison's disease .. 38
- - latent tuberculosis .. 818
- - lupus vulgaris .. 812
- - tuberculosis .. 612, 808, 814
- - tuberculous caecum .. 756
- reaction absent in lung lesions due to oldium tropicale .. 705
- - eosinophilia in positive test of .. 245
- - (and see Calmette's Reaction; and von Pirquet's Reaction)

Tuberculosis, absence of clinical signs for some time in .. 610

- acetoneuria in .. 4
- albuminuria in .. 17
- amenorrhœa in .. 23
- anaemia in .. 37, 159, 616
- axillary abscess in .. 731
- of bladder (see Cystitis, Tuberculous)
- blood changes in .. 450
- of breast (see Breast, Tuberculosis of)
- cachexia from .. 17, 114, 459, 161
- Calmette's reaction for, fallacies of .. 621
- cell changes in .. 450
- characteristic temperature curve of .. 612
- in children, anorexia in .. 50
- chloasma in .. 574
- of colon (see Colon, Tuberculosis of)
- diagnosis from fungating endocarditis .. 613
- - influenza .. 610
- - paratyphoid fever .. 611
- - yaws .. 450
- empyema resulting from .. 120
- enlarged glands in groin in .. 738
- - cervical glands in .. 421
- - fatty liver in .. 414
- functional bruits in .. 106
- general, cerebral type of .. 699
- - absence of leucocytosis in .. 614
- - acute, leucopenia in .. 401
- - choroid tubercles in .. 463
- - diagnosis from bronchitis .. 344
- - - typhoid fever .. 699
- - frequent origin in a tuberculous bronchial gland .. 427
- - hyperpyrexia in .. 343
- - purpura in .. 596, 598
- - pyrexia with weakness and anorexia at onset of .. 612
- - rigors in .. 617
- - severe headache in .. 699
- - splenic enlargement in 692, 699
- - tuberculous meningitis a part of .. 612
- - genito-urinary, pyrexia in .. 621
- - guinea-pig inoculation in diagnosis of .. 719
- - hamatoporphyria in .. 820
- - histological diagnosis of .. 814
- - iritis and ecchyma in .. 256
- of joints (see Arthritis, Tuberculous; and for Tuberculosis of the Viscera see under the different organs, e.g., Kidney; Liver; Prostate; Thyroid Gland, etc.)
- latent, loss of weight from .. 817
- - pleuritic effusion in .. 121
- - von Pirquet's and Calmette's reaction in diagnosing .. 817
- leucocytosis absent in .. 620, 699
- - uncommon in, except in advanced phthisis and meningitis .. 400
- - liellen scrofulosorum with .. 529
- of lung (see Phthisis; and Lung)
- lymphatic gland enlargement in (see Lymphatic Glands)
- - marasmus in .. 427
- - milk in relationship to .. 818
- - multiple serositis in .. 123
- - oedema of legs in .. 459, 461
- - orchitis in .. 445
- - pancreatitis from .. 116
- - perforation of palate in .. 610
- - peripheral neuritis in .. 506
