

CHAPTER VII.

Their public worship and religious opinions, 205

CHAPTER VIII.

Or miscellaneous facts omitted, 229

CHAPTER IX.

The testimony of those who had an opportunity of judging, from the appearance and conduct of the Indians at the first discovery of America, as well as of some who have seen them since, in a state of nature, 245

CHAPTER X.

The Indians have a system of morality among them that is very striking.—They have teachers to instruct them in it—of which they have thought very highly, till of late years, they begin to doubt its efficacy, 259

CHAPTER XI.

Separation of the Indian women, 277

CHAPTER XII.

The conclusion, 279
