WARMED BY VICTORY
G. A. C. REJOICES

United Posts Congratulate
Themselves on Successful
Jail Delivery.

There was great rejoicing at the
annual meeting of all the local Grand
Army of Canada posts in St. George's
Hall last night, when it became
known that some 270 soldiers now
serving sentences in jails for breaches
of the Ontario temperance act were
to be released in time for the peace
celebrations on July 19. The associa-
tion felt that it was entitled to some
self-commendation in view of the fact
that they were the first to complain
against the injustice of these sen-
tences.

Final arrangements were formu-
lated for the great lottery contest
which the G. A. C. are staging at the
end of this month, and many hun-
dreds of tickets were handed out to
the volunteer salesmen last night.

A resolution by the union posts
was introduced by Dominion Or-
ganizer Carmichael, censuring the
local authorities for holding back
a soldier's gratuity when he is trans-
ferred to the department for soldier's
civil re-establishment. The associa-
tion claim that a man should receive
his gratuity as soon as he returns.

Death Stops Gratuity.
Another point in the gratuity re-
gulations which came in for some
comment from Comrade Carmichael
was the fact that as soon as a man
dies, his gratuity dies with him. This
was declared to be unjust, and the
association have been asked to take
action to rectify this matter.

The executive of Earl Kitchener
Post No. 1, have recommended that
the city should inspect and re-
tent vacant houses before they are
re-rented. The executive further re-
commended that all landlords be com-
pelled to notify the city if their prop-
erties at any time become vacant.

The following members were elected
to the executive: Comrades W. H.
Wood, John F. Higgins, Andrews
and Ridgeway.

SOLDIER SOCIETIES WILL
FIGHT CIGARET DUTY

Great War Veterans, Grand Army
veterans and all manner of other vet-
erans, have expressed their firm in-
tention to fight the repeal of the order-
in-council granting the sale of tobacco
and cigarettes to crippled and gen-
erally maimed veterans and military
hospital patients free of duty.

Inland Revenue Officer Frankland
stated that the order-in-council would
be automatically rescinded when peace
was finally proclaimed. Veterans
and others have taken issue with him
on this point.

The question is asked if, according
to the inland revenue peace is officially
declared in London on July 19 does it
not stand to reason that the importa-
tion of liquor immediately becomes
legal.

MONTREAL COUPLE
HELD BY POLICE

Charged With Stealing Room-

Clever Team Work.

Heber Hutchins and his wife, Ethel,
were arrested last night by Detective-
Sergeants Archibald and Armstrong
for the police of Montreal on charges
of theft. The accused are wanted in
the eastern city for theft of over \$400
worth of costumes from a theatrical
rooming house.

According to police information re-
ceived here, Hutchins' wife would
secure a position as maid in a large
rooming house on hotel, and after
working there a short time would ob-
tain employment on the premises for
her husband. When they both got
sired clothing and other goods. They
will be held here until detectives ar-
rive to take them back.

CORSICAN TROOPS
SAFE HOME AGAIN

Over 400 soldiers and dependants
who crossed on the Corsican were the
arrivals at the Union Station yester-
day morning. There were a large num-
ber of women and children in the
party, including some English brides.
The troops traveled in civilian uniform,
and a number were for outside points.
Capt. Jago of the district depot met
the party on behalf of the military au-
thorities and the Voluntary Aid So-
ciety supplied the motor cars to trans-
port the men and their families to their
homes.

FLIERS CONSIDER
COMMERCE BY AIR

Mail-Carrying Planes to Race,
Toronto-New York, Next
Month.

Honor and glory may soon dog the
steps of the powers behind the C.N.E.
the American New York Flyers' Club
and the Aero Club of Canada, for last
night these powers met in happy vein
at the banquet board of the King Ed-
ward Hotel and considered plans
which may eventually in a continent-
wide system of aero transit for com-
mercial purposes.

Ex-Mayor Oliver, president of the
C.N.E.; John Kent, its general man-
ager; Joe Hay, its press manager; F.
G. Briscoe, Capt. Beattie, president
of the Aero Club of Canada; A. F.
Preston, secretary of this club; Clarence
Vought, an American aero ex-
pert and member of the New York
American Flyers' Club; Roy S. Hub-
bell and Robert J. Kennedy, repre-
sentatives of John McKelvey-Bowman,
the commercial common-sense
forthcoming Exhibition for the best-
managed round trip from Toronto to
New York; D. C. Ross, an official of
the C.N.E. and several other persons
among those who gathered together at
this epoch-making banquet. T. A. Rus-
sell left by the evening train for
Washington, D.C., to arrange for an
authentic source, he will endeavor to get
a promise from President Wilson to
attend the Exhibition.

Why and means were discussed at
the banquet to inaugurate the great
contest in flights, the basis of which
will be the commercial common-sense
methods, with the best types of fliers.
Seventeen entries had already been re-
ported, and the contest, so it is under-
stood, will begin on Aug. 25 and close
a few days later. Mr. McKelvey-
Bowman, who has openly expressed the
opinion that Toronto is the most pro-
gressive city in Canada, is the donor
of the prizes.

It was explained that the idea was
first of all to promote common-sense
flying, with a view to ultimately con-
necting New York and Toronto com-
mercially, with a final evolution to
transcontinental flights for the same
purpose, mail carrying being one of
the main considerations. The contest
to be fought out during the Exhibition.
Buffalo, Syracuse and Albany will be
stations en route, stops of varied per-
iods being made at each city, none of
them to be of more than an hour, and
the entire trip to be of about eight
hours' duration.

Among the contestants already en-
tered are Capt. Traill, Lieut. W. H.
Murray, Laurence Sperry, Roland Roff,
D. H. Flint, Capt. Paul Baer, who was
captured by Germans and made his
escape shortly after, and Col. Hartney,
in a Fokker.

LIQUOR DETECTIVES
MEET DIFFICULTIES

Inspectors Taking Barrels
From Boats Are Stoned
by Boat Crew.

Evidence of liquor being smuggled
in from Montreal on freight boats in
large quantities was unearthed last
evening by provincial police officers
when they seized five large barrels,
each containing six cases of whisky,
on the freight boat the City of Ham-
ilton, docked at the foot of York street.
The whisky was smuggled in as a
shipment of oil and the shipping bills
were made out to R. B. Moore of the
Canadian Oil Company, Toronto.

Inspectors Lewis, Burnett and Cour-
tney, on duty on the waterfront, dis-
covered the barrels of whisky when
there was a large crowd of people on
hand to meet the veterans. The party
was divided into two sections, the first
carrying 9 and the second at 9.30
a.m. There were 16 officers and 680
other ranks in all. The arrivals were
casualties from nearly every unit in
the Canadian forces.

General Gunn and Col. Gibson, as-
sisted by the staff of the district
depot, met the men at the platform.
The process of disembarkation was
speedy and the men were soon hitting
the trail for home in cars provided
by the voluntary aid.

TUNISIAN MEN ARRIVE.
A troop train with 350 soldiers and
their dependants from the Tunisian
arrived at the Union Station at 12.45
p.m. yesterday. Many war brides
were included in the party, which was
met by a huge reception by hundreds
of friends.
