YOUNG MAN MEETS SERIOUS INJURIES

Runaway Horse Makes Things Lively in East Toronto—Fine Farm Sold—Items

TORONTO JUNCTION, Sept. 20.—In police court today Ross Palmer, who was charged with arson in three different cases, in Bracondale, was committed for trial at the next assizes. His counsel tried to have the amount of his bail reduced, but without success.

Frank and Martin McLennan and Alexander Martin were charged with assaulting Billy Blea in Helntzman's piano factory. Martin was found to be the only member of the trio that struck Blea, so he was fined \$1 and costs, and the Martin Brothers were allowed to go on suspended sentence, the three being bound over to keep the peace.

An important deal was brought about a few days ago in the transfer of the Beattie Cartage Co. of Medland-street to A. H. Richardson, late business manager of the Leveck was formerly principal of the St. Clair-avenue school, resigned from that position on account of ill-health, and bought the cartage business three years ago from Robert Digby for \$3000. He has just sold it to Mr. Richardson for \$15,000. The business necessitated the use of six horses when Mr. Beatty bought it, now there are 19 on the road. Mr. Beatty intends going into private life, and will reside on Medland-street, where he has bought a house from Samuel Hopper, builder, at 17 Medland-street.

Ed. Wright, editor of The Tribune, leaves on Monday for Vancouver and New Westminster with the Telemachus lacrosse team, who are to play a series of exhibition games during their western tour. The outward journey will be via Chicago, the whole trip lasting about four weeks. Mr. Wright accompanied the team in the interests of one of the Toronto newspapers.

H. H. Demers, manager of The Leader and Recorder, will open the Sterling Business College on Dundas-street about Oct. 1. Mayor R. Chisholm, vice-president. Mr. Demers taught for four years ago as a teacher in the Reid's College of Business and Liberal Arts, Sault Ste. Marie, Ont. The receipts of the Toronto Junction postoffice have increased so much of late that the authorities have put strong restraints on all the doors as a safeguard in case of emergency.

SCARBORO. FAIR.

Visitors to Fair Will Be Well Looked After.

The announcement that Lemon Bros. of the Clyde Hotel would cater to the wants of the general public at the Halfway House on the occasion of the Scarboro Fair, which takes place there on Wednesday, Sept. 28, gives general satisfaction.

For some time the hotel at this point has been closed, and fears were expressed that the success of this time-honored institution would be seriously endangered. The official statement that these well-known gentlemen will be in attendance, as stated, removes all doubts as to the arrangements for the comfort of visitors to the fair.

DON'T USE THE KNIFE.

That's the barbarous way of treating corns—dangerous, too. Any corn can be removed painlessly by Putnam's Corn Extractor in twenty-four hours; try it.

WE WOULD LIKE TO MAKE YOUR CLOTHES

A man would be worse than a jester to talk quality in his wares these days if it wasn't in them to back up his say so.

Giving the people the absolute high quality has created the confidence that is ours, so that in the tailoring trade to-day "Score" stands for "Quality" and quality stands for "Score."

You find the test of it in the high-class Overcoats and Suitings we are showing for fall and winter wear.

AURORA.

Magistrate Imposes Severe Sentence on Apple Thieves.

AURORA, Sept. 20.—The time for appealing against the voters' lists of the town expired last night.

The locomotive on the Schomberg branch has been out of business for a few days and mails from Schomberg to Aurora have been brought by stage.

Butter on the Aurora market on Thursday brought from 22c to 25c, and eggs 20c to 22c. Chickens, live weight, brought from 11c to 12c a pound.

Rev. Canon Cody, rector of St. Paul's Church, Toronto, will preach at the harvest festival to be held in Trinity Church on Wednesday evening next.

Three young men brought before Magistrate Casator on the charge of stealing apples were each fined \$4.75.

Capt. Church of the Salvation Army Barracks will hold special services tomorrow (Saturday) at 8 o'clock. On Thursday night there will be a harvest sale.

SCARBORO.

Scarboro Fair will be held on Wednesday, Sept. 25, at the usual place. Young Men's Club of the Eglington Methodist Church held their regular meeting last night. The club appointed different committees—one to prepare the white drawing for the elections, and another to arrange with the judges for the debate to be held next Thursday.

An employee of the Hygienic Dairy, while drawing corn yesterday, was kicked by a horse and seriously injured. Dr. Jeffs attended the unfortunate man, who, however, is reported to be out of danger.

NORTH TORONTO.

Mayor Will Likely Call Public Meeting.

NORTH TORONTO, Sept. 20.—The Young Men's Club of the Eglington Methodist Church held their regular meeting last night. The club appointed different committees—one to prepare the white drawing for the elections, and another to arrange with the judges for the debate to be held next Thursday.

An employee of the Hygienic Dairy, while drawing corn yesterday, was kicked by a horse and seriously injured. Dr. Jeffs attended the unfortunate man, who, however, is reported to be out of danger.

A quantity of paint and carpenter's tools were stolen from the residence of Charles Davis, which is under construction on Davisville-avenue. Chief Morris recovered the stolen goods, but not the thief, who, it is thought, is in Montreal.

Dr. Scott's Liniment, the best liniment made, is for sale at Twiddy's Drug Store, corner Yonge-street and Eglington-avenue.

A requisition was handed to Mayor Fisher last night, signed by about twenty-five property owners, to call a public meeting to discuss certain matters of public interest, such as electric light and improved street car accommodations. The mayor is likely to call the meeting for Saturday, Sept. 28.

Mrs. J. Kyles of Glenroche-avenue is spending a few weeks in Montreal nursing her sister, Mrs. Suckling, who is ill.

The Rev. A. G. Mustard of Toronto will occupy the pulpit in the Eglington Presbyterian Church next Sunday.

Local Option Meeting.

A meeting of the local option committee for York County was held yesterday afternoon to discuss the outlook for the temperance campaign. No very definite plans were formulated, and the session adjourned until early in October. Rev. C. W. Follett of Wychwood Park was elected secretary, and Rev. Thomas Scott of Downsview, treasurer, of the executive. It is understood that E. S. Spence will be actively interested in the campaign.

The local option fight in Etobicoke Township is being conducted with the greatest vigor, and unusual interest is being displayed on all sides. Temperance advocates confidently expect victory with a large majority. All petitions have to be in the hands of the executive by Sept. 28 for presentation to the council on Oct. 7.

BRAMPTON.

Big Fair, But Greatly Marred by Rainstorm.

BRAMPTON, Sept. 20.—Six thousand people were drenched this afternoon in a rainstorm which suddenly broke over the Peel County Agricultural Society's Fair at Brampton. The rain commenced to fall in the midst of the judging, and the resulting discomfort may be imagined.

A snake show, which was holding forth on the grounds, fared badly. The crowd, in rushing for shelter, knocked over the cashier's stand. A fight ensued, and one of the snake show men was arrested.

That Peel County can raise good horses, cattle and sheep was evident. Light horses were especially strong. E. J. Ellis of Orangeville, and E. F. Baker of Guelphe were the judges. They had as high as 12 in a class, and their difficulties may be imagined.

The harness classes brought forth much rivalry. P. D. Elliott and Dr. P. W. Anderson of Fergus were the judges. There was a fine display of heavy horses judged by Messrs. Torrance and Gormley of Unionville, and Booth of Orangeville. There were 400 horse entries.

Sheep, hogs and poultry were all well represented.

There were 400 poultry entries. In ladies' work there were 700 entries.

EAST TORONTO.

Young Man Probably Fatally Injured Last Night—Exciting Runaway.

EAST TORONTO, Sept. 20.—Attacked by an angry bull, which he went to feed last night, Louis Smith, employe of the George Weston Co., had a hoarse at Crew's Hotel, just outside the corporation limits, lies in the General Hospital in a semi-conscious condition.

About 4 o'clock on Thursday afternoon Smith was directed by Mr. Crews to feed the animal, when the brute broke the fence and turned upon him, knocking him down and frightfully goring him. Armed with forks, a number of men and boys were occupied for more than an hour in getting the animal back into the stable.

This is not the first time that the animal has nearly killed his attendant. A young English lad was very seriously injured in the early part of the summer.

An exciting runaway took place on Main-street this afternoon, in which a young man named Wherry, a representative of the George Weston Co., had a close call. Young Wherry was coming over the G.T.R. bridge on Main-street when the horse, a high-spirited animal, took fright at a passing train, and dashed madly along Main-street. The animal simply took the bit between his teeth and all efforts to stop him were unavailing. He turned west along the Kingston-road, narrowly missing a number of rigs, and when a short distance from the Woodbine race track the driver threw out the heavy weight, which was attached to the buggy, and making a last effort, succeeded in stopping him. The horse sustained a few slight cuts.

For an assault committed upon a Mrs. Robinson more than a year ago Jussett, an Italian, was to-day brought before Magistrate Casator and remanded until next Thursday. After the affair Jussett skipped out, returning to sunny Italy, and he had only returned to East Toronto when Chief Tidberry spotted him and ran him in.

Two new stores are being erected at the corner of Queen and Lee and immediately to the east of the Bell Co. office. South of Kingston-road and building is very active, and the season will be one of the best in the history of East Toronto.

Commissioner Parkinson is widening Lee-avenue by filling in the deep cuttings at the side, and has put down a number of iron pipes to carry off putting down a cement sidewalk on Lyonde-crescent.

Mrs. Arthur Johnston has been con-

mitted to the house for a few days with a severely sprained ankle.

The annual field sports of the East Toronto High School will take place at "Glen Stewart" on Friday, Oct. 11.

MOUNT ALBERT.

MT. ALBERT, Sept. 20.—Probate for the will of the late Rachael Wood of this village is being sought by Murray and Summerfelt of the same place, and asks for the distribution of an estate valued at \$7686.41. It consists of book bank \$5355.45, and cash on hand \$24.33.

The bequests are \$300 to the Co-Operation of Disciples of Christ in Ontario. The Foreign Missionary Society of Cincinnati gets \$100. The balance of the estate is divided among her children and grandchildren.

WESTON, Sept. 20.—The Snyder-Castator assault case was disposed of to-night before Police Magistrate Geo. Cruickshank and D. Rowntree sr., Geo. Castator and a young man named Snyder, both of Thirleton, were threatened, for some reason, a dispute arose between them, and Snyder attacked Castator with a knife. Newmarket Raincoats Worth Nearly 50% More

AS most well-dressed men know, the Newmarket raincoat is the acme of style and swagger. Though the style is originally English, these particular coats come from one of New York's best manufacturing tailors.

The benefit is yours; if you want to get or keep a reputation for being a "swell dresser," there's no quicker, easier, safer way than to buy one of these Newmarkets.
