Show to the Newsies and Others.

The small boys and girls of the city were in line early yesterday morning to, take advantage of the free entertainment given by the Norris Bros.' trained animals. The show was especially for the children of the Girls' Home, the Boys' Home, the Protestant Orphans' Home, St. Nicholas' Boys' Home, Sacred Heart Orphanage and the city newsboys. But the Norris Bros. instructed the Street Railway Company they would admit any boy or girl who could find 20 room on a street car, and the railway company, who did their share of the entertainment by supplying free transportation, without any remuneration from any source, allowed the children free access to the cars. The result was a tremendous crowd of highly-delighted juveniles. The newsboys lined up about 500 strong at the corner of Bay and King-streets, and, headed by the Norris Bros.' band, marched past the direct newspaper offices. They boarded the cars at Front-street, and joined the other children at the old Baseball grounds.

There are two performances daily, at 2.30 and 8 p.m.

At the Toronto.

"Superba," which was formerly the great Exhibition attraction, has been superseded by a newer and larger spectacle, entitled "The Evil Eye." This year the annual spectacular performance, which is always present to greet Exhibition visitors, will be the attraction at the Toronto Opera House, where popular prices prevail. The contract for the production of "The Evil Eye" was only secured after a long battle. To Mr. Small is due the credit of obtaining the greatest spectacular production ever given in Toronto at popular prices. It is announced that the cast of "The Evil Eye" will include Al. H. Wilson, Lillian Bloodgood, Lillian Wrenn, Rosaire Elliott and the Phasey family. "The Corporation."
"The Corporation of the City of Toronto" match was fired off in two sections, and the first 50 on the list will shoot again tomorrow. The competitors are allowed seven rounds at 500 yards, ten at 600 yards and seven at 800 and 900 yards. The prize money in this event amounts to \$649, \$249 of which is given by the association. "Shore Acres."

"Shore Acres." has been played upwards of 1700 times in this country, and is universally recognized as the greatest pastoral play ever written for the English-speaking stage. It is strange, but true, that this interesting comedy-drama was offered to every well-known theatrical manager in America, and, while a number of them thought "Shore Acres." a fairly good play, they did not care to risk any money in its production. All this happened about eight years ago, and since then these astute purveyors of the drama annually count up the fortuges they might have earned with this charming idyl of American home life. In speaking of "Shore Acres," the Rev. Lyman Abbott said some time ago: "If there were more such wholesome plays as "Shore Acres," the wholesale denunciation of the stage by the pulpit could not long survive." For the present season entire new scenery has been prepared for "Shore Acres," and several novel effects have been introduced. The play is underlined for presentation at the Grand for two weeks, open-
