MEDALS FOR THE OPENING.

The Chairman of Reception Has Ordered Thirty-Five Silver Ones as Souvenirs.

WHAT THE MAYOR WANTS TO KNOW.

An Eagle and a Porcupine Purchased for the Riverdale Zoo—Other Notes From City Hall.

Ald. J. J. Graham, chairman of the Reception Committee for the opening of the city palace has given an order for 31 silver medals to be distributed among the aldermen as souvenirs of the opening event. The pattern is a twin medal, suspended from a clasp. Each will be the size of a dollar, and be made of sterling silver, gold plated. On one side will be a design of the new City Hall, and on the other, the old City Hall.

Building permits have been issued to E. Gunn for a two storey and attic brick residence on Dunbar-road, to cost $5500, and to W. B. Griner, for brick residence on Dovercourt-road, near Queen-street, to cost $2500.

Street Commissioner Jones requests an anonymous correspondent, "J.C.," to call at his office to receive an explanation of the matter that he complains of.

It is the intention of the Mayor to invite all the living ex-Mayors and ex-aldermen to attend the official opening ceremonies on Sept. 18. His Worship is preparing an historical paper that will deal with the progress of the city since its incorporation.

The Mayor has written to Secretary McGowan, asking how many men have been added to the fire brigade during the last few years, and what apparatus has been bought.

Ald. Lamb yesterday bought the eagle and the porcupine in the Natural History Building of the Exposition, for the Riverdale Park menagerie.

The Board of Works will meet on Tuesday.

The City Council will hold its first meeting after vacation on Sept. 18.

It will require six men to keep the windows of the new City Hall looking spick and span.

THE DOMINICAN OVERTURN.

Jiminez is Now Discovered to Be Looking Out for Himself and Not for Uncle Sam.

Kingston, Ja., Sept. 8.—Dominican mail advices just received here say that the apparently enthusiastic and ostensibly national demonstration prepared in Santo Domingo for Juan Isidro Jiminez, the leader of the successful revolution in that country, by Gen. Imbert and the leaders of Jiminez's immediate political faction is not altogether representative of the real popular sentiment. It is now beginning to appear that while the whole nation accepted the revolution, thus rendering a prompt and bloodless success possible, it is with the understanding that the intolerable incubus of party politics would be permanently removed, securing an American protectorate, Jiminez's party, certainly the weakest, for his personal interests, to the establishment of which they now propose utilizing the victory if they can compass his constitutional election.

ELOCUTION,

Physical Culture, Swedish Gymnastics, Ladies' Fencing, Concert Work, Dramatic Recitals, Etc.

Under the direction of Miss Lillian Burns, the elocutionary department of the Metropolitan School of Music, Toronto, will, no doubt, make greater headway than ever. Elocution and its subsidiary studies are prominent features in the institution, and it may be assumed that the now increased attractiveness of the department will be duly appreciated by those contemplating study. Miss Burns, the principal, in addition to her extended courses of study, under the best masters in New York, has been and is, identified as a teacher with some of the foremost educational establishments in Toronto. Her public work as a reader has been abundantly recognized for its originality and beauty of conception, and, indeed, few have received equally favorable criticism from the press and the public. She will begin her duties at the Metropolitan School of Music, Parkdale, on Wednesday of next week.

POOR LITTLE GEORGE!

Went With His Father to Work and While Playing Fell Into a Vat of Boiling Water.

Windsor, Ont., Sept. 8.—George Turner of Walkerville, employed about the barns of the Walker Distillery Company, took his 2-year-old son George to his work with him yesterday afternoon. The child's mother was ill and the father thought to let the infant about while he went about his duties. While playing about the yard the child plunged headlong into a pan of boiling water. The little body was scalded from head to foot. Dr. Hare of Walkerville was summoned, but the child died a few hours later. Because of the illness of the mother and the fear of fatal effects of the announcement the death of the child has been kept from her.

The selectors of jurors for the year 1900 will meet at the Court House on Friday next.

Miss Lillian Orr has resigned her position in District Passenger Agent M. C. Dickson's office at the Union Station. She will enter the McLean Publishing Company.

By mutual consent, the suit of Mr. E. A. Macdonald against The Evening News, for alleged libel, was dismissed by the Master-in-Chambers at Osgoode Hall yesterday.

SCENES IN LIFE OF CHRIST.

Mons. Tissot's Great Paintings of the Life of Our Lord to Be Seen in Toronto.

MANAGER SUCKLING'S VENTURE.

Tissot's Works, Which Have Been Viewed by Thousands, Are in Five Groups.

If pending arrangements are successful, the public of Toronto will have an opportunity of viewing and enjoying what will be the greatest exhibition of paintings and drawings that has ever been brought to America, and certainly to Canada. Mr. Suckling, the manager of the Massey Music Hall, is now in negotiation for a two weeks' exhibition of Mons. Tissot's great pictures, illustrating the life of Our Lord Jesus Christ. The collection includes over 400 paintings and drawings, taken from the four Gospels, and from studies made in Palestine by this wonderful French artist. They have been exhibited only in the cities of New York, Philadelphia and Chicago, and over 250,000 people have paid to see them in the short space of four months. These treasures of religious art are the result of Mons. Tissot's genius and study in the Holy Land, and have attracted special attention from all Christian ministers and have been frequently commended from the pulpit for their great historical and religious value. Tissot is a straightforward, honest believer in the Godhead of the Saviour. His work reveals the man, and the man explains the work. The collection is divided into five groups:

(a) Views of Palestine.
(b) Birth and childhood of Christ.
(c) His preaching.
(d) Holy week. The Passion.
(e) The Resurrection.

The New York Sun, when the pictures were on exhibition in that city, said: "People here will find it beyond comparison the most remarkable exhibition of this kind ever presented." And The Tribune: "We are awed by the divinity interpreted in these remarkable works of art."

The exhibition will probably be opened on Monday week. It is safe to say that the beautiful Massey Hall will be thronged daily and each evening by very large numbers of people.

Fuller particulars are promised in a day or so.

OFFICERS OF KNIGHTS OF THE GRIP.

Three Sessions Held Yesterday — An Enjoyable Reception in the Evening.

It is said that the object of the Canadian Order of Knights of the Grip, which is now being formed at the Temple Building, is to better the moral, social and intellectual life of its members. It is expected that this order and the Dominion Travelers' Association will get along all right, as the two have separate purposes, the latter attending to the financial side of the question.

At yesterday morning's session the report of the Committee on Law and Legislation was considered. The Committee on the State of the Order also presented its report. It showed how branches of the Toronto Commandery had been established in Kingston, London and Montreal, and said that in Windsor, Chatham, Belleville, Brockville and other towns preparations of a similar nature were going on. The membership is now 800.

At yesterday afternoon's session of the Supreme Commandery of the Knights of the Grip the constitution of the new organization was framed and adopted, and the officers were elected. All other special work was given to committees to report later. The last session will be held this morning at 10:30 to complete the business. The officers elected were as follows:

S. Gripman, W. Moore Jackman, London; P.S.G., T. F. Corey, Toronto; S. Chief, W. F. Escott, London; S. Chapiain, J. D. Bland, Toronto; S. Secretary, R. H. Silliman, Toronto; S. Treasurer, W. R. Madill, Toronto; S. Captain, W. H. Graham, Kingston; S. Lieutenant, A. R. Colvin, Montreal; S. Sargeant, Bert McDonald, London; S. Custodian, W. E. Hart, Montreal; auditors, G. D. McAllister and R. S. Mooney, Toronto; solicitor, S. Alfred Jones, Toronto.

It was decided to meet in London next year.

Yesterday evening Commandery No. 1 gave a reception to the Supreme Commandery delegates. The delegates, to the number of about 75, with about an equal number of lady friends, attended. Albert Williams supplied the refreshments. Some of those who were present from a distance were: Mrs. Macleod, Brooklyn, N.Y.; Mrs. Charles T. Hopwood, Winnipeg; Mrs. M. H. Sisson, Lindsay; Mrs. W. H. Graham, Kingston; Miss Atkins, Napanee; Mr. Ed. Telfer, Collingwood; Mr. Darroch, Collingwood; Mr. W. O'Reilly, Kingston; Mr. J. Kelly, Port Hope.

WALTER HARLAND SMITH,
Auctioneer and Proprietor.

Alex. Leslie Removing to the Corner.

The click of the carpenter's hammer and the muss of the mason's trowel are making a disturbance in the business of the Hobberlin Bros, Co., Limited, merchant tailors, cor. Yonge and Richmond-streets, Toronto. The unexpired lease of this well-known corner has been bought by Alex. Leslie, who will take possession at the end of the present month. The Hobberlin Bros. have no choice but to clear their large stocks on hand within the next two or three weeks. This they are doing by making up from their best materials stylish made-to-order clothing for customers. The invitation is to visit the store and select your own material, leave your measure, and get good fall clothes at less than you would pay for undesirable readymades.

The firm are offering a fine lightweight overcoat, made to your own measure, for $0.35, or something heavier, for colder days, at $0.75. These overcoats in the regular way would cost you $15 or $16.

At the Top.

To further strengthen its position as the foremost among commercial schools, the Central Business College, Yonge and Gerrard-streets, has increased its regular staff to nine members and has equipped its typewriting department with 40 machines. This school is certainly in a position to offer exceptional advantages to young people who desire to qualify for clerical duties of any kind. We understand the fall session is opening out with the increased attendance, which so excellent an institution so well deserves.

Sale of Prize Winners.

Several choice high-class harness horses are advertised for the sale at Grand's on Tuesday next, including prize-winners in the dog cart, high stepping, four-in-hand and best turnout classes. This is a rare opportunity to purchase the best in the province. "Brian Boru," the well-known weight-carrying hunter, will also be sold. This is a rare chance to buy a safe jumper for the hunting season, just commencing.

MEN CURED FREE.

A most successful remedy has been found for sexual weakness, such as impotency, varicocele, shrunken organs, nervous debility, lost manhood, night emissions, premature discharge and all other results of self-abuse or excesses. It cures any case of the difficulty, never fails to restore the organs to full natural strength and vigor. The Doctor who made this wonderful discovery wants to let every man know about it. He will therefore send the receipt, giving the various ingredients to be used so that all men at a trifling expense can cure themselves. He sends the receipt free, and all the reader need do is to send his name and address to L. W. Knapp, M.D., 1742 Hull Bldg., Detroit, Mich., requesting the free receipt as reported in this paper. It is a generous offer, and all men ought to be glad to have such an opportunity. 26
