King Street-opposite the Post-Office. COUHIG AND MARTIN DUFFY.

Well-Known Boxers Likely to Clash in Toronto on May 24.

Tom Couhig, whom the Crescent Club has been anxious to match in Toronto for a long time, has accepted for the race week show, and patrons here will likely see the clever Dunkirker perform in the ring, as Harry Glimore, in answer to a query, wired on Saturday that Martin Duffy would meet Couhig at 140 pounds. Couhig recently outpointed Duffy in six rounds at catchweights, and at the limit suggested it should be a rattling contest for 20 rounds. Glimore's suggestions have been sent to Couhig's manager, James E. Kinney, and the result will be announced on Monday. Should the boxers come to terms, they will be compelled to sign the clause in the Crescent A.C.'s articles compelling a forfeiture of half their share of the purse by the contestant causing the stoppage of the bout on account of intentional fouling.

The first preliminary will be between the heavywelght amateurs, Eli Gibson and John Jackson, champion of Canada, four rounds. Billy McCarthy has consented to clash with any boxer at 128 pounds, Jimmy Smith preferred.

UNCLE SAM TAKES THINGS IN HIS OWN HANDS.

There's something decisive about the hustling

When he does a thing, he does it. When he wants a thing, he wants it. When he didn't want that historical tea, he threw it into Boston harbor.

When he wanted gold, he laid claim to the Klondyke.

When he tired of slavery, he abolished it.

THE TORONTO WORLD

Now he's tired of the slavery of the American tailor, and is too much alive to wear "hand-me-down" ready-mades. He put up a million the other day, incorporated a company and has started making "Semi-ready" finished-to-order clothes at 568-576

Broadway. "Uncle Sam" sees no reason why he shouldn't have freedom about his clothes as well as his conscience.

He means to have Semi-ready-an EXACT DUPLICATE of made-to-order clothes, at half the tailor's price.

"Semi-ready" has over 150,000 wearers in Canada. Catalogue sent free to those who cannot call at wardrobes in 15 Canadian Cities.

WEAKMEN

Are you discontented with your-self? Do you realize that you are not what you ought to be? Do you dread unknown dangers and start at sudden sounds? Are your hands

sudden sounds? Are your hands and feet and other parts of your body cold? Do you have shooting pains in the head or "come and go" pains in the back? Is it hard to get to sleep, and do you arise more tired than when you go to bed? Do your stomach bloat, and do you seem to see Does your stomach bloat, and do you seem to see spots floating before your eyes? Are you losing flesh? Is your memory defective? Does your breath get short upon slight exertion. These are a few of the symptoms of nervousness. This

condition is the result of overwork, constipation and numerous other causes, which are explained in my beautifutly illustrated 80-page book, which is free for the asking.

DR. McLAUCHLIN'S ELECTRIC BELT Cures Nervous Disorders, Weak Back, Lumbago, Rheumatism, Stomach, Liver, Kidney and Bowel Troubles, "Come and Go" Pains, and that Tired Feeling after every other treatment has failed. It gives the vitalizing power of electricity, while you sleep, into every weak and pain-worn nerve, muscle, tissue and vein of the body. After a few days' use you feel as if new life had been given to you. It banishes pain and weakness and re-

moves the effects of overwork and worry. Thos. Spencer Mull, Ont., writes:-I have given your Belt a fair test. This is the first winter since I hurt my back. I have not been laid up. I have not lost a single day yet, and I have no pain in my back. I can get in most any shape now and come out

straight, and I feei a lot stronger, and my back is all right. Give me a man of 50, feeling old and worn out with pains in his back and joints. I can pump a stream of Electricity into his body for a few hours every night, and soon he will feel as strong and light-hearted as he did at 20

Herbert E. Reid, Barrie, Ont., says: - I received great benefit from the use of your Belt. I have been free from all aches and pains and have been greatly strengthened every day. There I could fill this paper with testimonials from honest people. If you will call or write I will give you names of people all about you whom I have cured.

My confidence in my method enables me to the Belt on trial, and one who can offer me reasonable security can use my Belt at my risk and is no doubt but that it is the right remedy for all weaknesses in men.
