DILKE'S OPINION. London, June 23 .- Sir Charles Difke, discussing the subject of Imperial Federation, is of the opinion that much

harm has been done by colonial sympathizers with the movement in London in pressing their views so sturdly in advance.

While Home Rule, he says, is being advanced for Iroland, and even Scot-

APPRECIATIVE.

Editor World: Allow me to thank American is, as we said before, not a you for your leading editorial in this and to the company, for the former fool. The advantages to Canada of the may now resume the earning of wages ed Pictures, varying in size from 160 only Etchings, Artotypes and Colored Pictures, varying in size from 14x17 to 22x30, large assortment of figure and landscape subjects, framed in antique oak-finished mouldings 1 to 2 1-2 inches wide, regular prices \$1 to \$2.50 each, on sale \$1 to \$ again.

The basis of settlement really constituted a compromise, the company and the men both yielding their extreme demands. The men at the outset demanded a wage of twenty-five set demanded as wage of twenty-five set demanded as the constant of the city would not guarantee them protection, I think there would not have been a strike. The men were glad of the help given them by the members of the Board of Trade, but I think they would have been even more pleased if the Mayor had stepped in and insisted upon an arbitration. Everyone knows that this

Montreal Street Rail.

Montreal June 23,—The conductors
and motormen of the Montreal Street
Railway have sent in a petition to
the company asking for an increas
from 15 to 18 cents an hour durin
the week, and 20 cents on Sunday.

Montreal, June 23 .- It is now an-

Montreal, June 23.—It is now announced that from July 12 the 18 banks doing business in the City of Montreal will close at noon, instead of 1 o'clock. This information was obtained this evening from Mr. Knight of the Clearing House. It is also stated that advice has been received to the effect that there is no legal obstacle in the way of the change. Montreal has simply followed in the wake of London, and the bankers have expressed the belief that the other Canadian cities will follow suit in the near future, It goes without saying that the bank in the daily press and ask your neighbors what they think of it. You can use it and celerks in the commercial metropolis are delighted at the change. clerks in the commercial are delighted at the change.
