—A Hamilton dispatch says: It is practically settled that within a very short time the last trace of the Grand Trunk shops will be removed from Hamilton. The bolt works are to be removed to Montreal, if present plans are carried out, and centralized with the other works of the company there. It is understood that but very few of the employees will be taken with the works, and those who are left will have to find employment elsewhere. No information can be secured from the officials here as to the removal, which is nevertheless practically settled upon.

—A special Sunday through box mail service has been inaugurated between this city, Hamilton and Toronto and intermediate points where the fast evening express stops, which will be a great convenience to the travelling public. The train passes through Hamilton at 7 p.m. for Toronto and Montreal connection, and when at London there is put in the baggage car a sheet steel letter box, about the size of the ordinary city letter box, and pointed in the regular postal red. On the front it reads: "For letters for Toronto and Montreal and intermediate points." On the back it reads: "When empty return to London." Any important letters can now be carried by the station where the fast express stops, put in this box, and when the box arrives at Toronto station the letters are assorted and all Toronto letters taken out, and those for east of Toronto put on the train, which has a regular postal distribution attached.

HAD 175 CALLS DURING 1898.

The London Fire Department were called out 175 times during 1898. A considerable number of these alarms were false owing to tampering with the new boxes. The losses by fire aggregated \$46,000. There was about \$500,000 insurance on these properties. The majority of the places burned were prepared against loss by insurance.

POSTAL STAMP CHANGES.

The postal authorities have announced that when the present issue of the 3-cent postage stamp becomes exhausted no further stamp of that denomination will be issued. Its usefulness will be gone, and those now in circulation will be preserved as mementos of a bygone postage rate and the introduction of the 2-cent domestic postage. The issue of the 3-cent postage stamps printed in purple will also be discontinued, and a 2-cent stamp printed in red substituted.

BURROWS-HARVEY.

A pretty New Year's wedding was solemnized at the residence of Mr. Alex. Harvey, 804 Talbot street, yesterday afternoon, at 3 o'clock, when his eldest daughter, Elizabeth, was united in holy matrimony to Mr. Geo. Burrows, a prominent young physician of Seaford. The ceremony was performed by Rev. Dr. Smith, of the First Methodist Church, in the presence of immediate relatives only. The bridesmaid was Miss Martha A. Harvey, B.A., sister of the bride, while the groom was assisted by Mr. S. G. Stone, B.A. of Seaford. The bride's little sister, Helen, daintily gown, acted as maid of honor. After the ceremony Mr. and Mrs. Burrows left on a trip to Montreal and other eastern points. On their return they will take up their residence on Goderich street, Seaford.

CLAN FRASER.

The officers of Clan Fraser, No. 43, of the Order of Scottish Clans, for 1899 were duly installed last night by Deputy Royal Chief John W. Jones, of this city, assisted by Past Chief Addie, of Clan Gordon, Barrie, Vermont, who is on a visit to friends here. The members were present in large numbers, and at the conclusion of the ceremony the gathering adjourned to the European Hotel, where an oyster supper was served, and a very enjoyable time was spent. The newly installed officers are: Chief, J. G. Jones; tansist, D. Fraser; senior henchman, R. Gray; junior henchman, Jas. Sutherland; seneschal, Richard Johnston; chaplain, Geo. Cairncross; treasurer, Thomas D. Gray; secretary, W. L. Johnston; sentinel, Chas. Percy; warden, Peter Murray. Deputy Royal Chief J. W. Jones and Grand Council George Taylor are appointed by the Royal Clan.

PLEASANT SURPRISE.

Last night a number of members of the "Follow Me" Circle of the King's Daughters and Sons of the Hill Street Methodist Church surprised one of their members, Mrs. Joseph Cake, who is about removing to Sarnia, and presented her with a beautiful parlor lamp, accompanied by the following

address: "To Mrs. Joseph Cake.—Dear Friend and Sister—We, the members of the King's Daughters and Sons Circle of Hill Street Mission, in wishing to express our deep regret at your departure from our midst, and in acknowledging the Christian character which we have found in you, as ever ready, ever willing, and a conscientious worker—one who has never failed in sunshine or shadow to do whatever your hands found for you to do or whatever the Master called for—we, your sisters in his name, would beg of you to accept this small testimonial along with our heartfelt wishes for yourself and your loved ones. Hoping that God's love may ever brighten your way, giving you that peace and joy which the world can never give, nor take away. Signed, on behalf of the circle, Mrs. R. Winnett, Mrs. J. H. Brooks and Miss S. Peirce." The address was read by Mrs. J. S. Brooks and the presentation was made by Miss S. Peirce. A very pleasant time was spent, after which refreshments were served, and all departed for their homes feeling happy to meet, sorry to part, and hoping to meet again.

At the close of the ceremonies, Bro. W. F. Howell (Dominion), chairman of the committee, took the chair, and invited Grand Master Farewell, Past Grand Sire Cl. T. Campbell, Past Grand Master Thomas Partridge to seats on the platform. The grand master made an eloquent address to the lodges, expressing his pleasure at being present on such an occasion. He characterized Odd-fellowship as the greatest of all fraternal societies, and suggested many ways of improving interest in the work. The want of a home for aged Oddfellows in Ontario was great, and the members were responding nobly to the appeals of those who had the matter in hand, and highly commending the efforts of Past Grand Sire Campbell in this direction. The members of the Rebekah Branch were also doing good work.

Past Grand Master Young, Past Grand Sire Cl. T. Campbell and D. D. G. M. Willis also spoke in the same vein. Bro. Thomas Partridge, of Forest City Lodge, the oldest living past grand master of Ontario, excused himself on account of illness.

On Saturday night a member of the "Don't Work Society" stole a ride on a M. C. R. freight. Near Buxton he had the shivers, and as there were some shavings in the car he lighted a fire. Conductor Fred W. Cowley saw the blaze. While he was extinguishing it the Wandering Willie made his escape.

On Monday morning about 10:30 a west-bound special on the Michigan Central Railway struck a rig near Canfield, containing two men, named Peter Vollick and H. Bowins. Vollick was instantly killed, but his companion was only slightly hurt. The horse was killed and the rig demolished. Vollick was 52 years of age and unmarried.

On Tuesday afternoon Jacob White was driving a horse belonging to J. H. Sinn along Talbot street, St. Thomas. Near the new city hall the animal got frightened at a trolley car and ran away. In front of the Columbia, White was thrown out of the buggy. The animal attempted to turn down Metcalfe street, but slipped at the Albany Hotel and fell heavily against a post. The animal had its back broken, and had to be killed. White was not hurt.

The death occurred on Monday of Thomas White, sen., of the township of Downie. Mr. White had resided in Downie 57 years, having come over from the old country with his father, the late Thomas White, at the age of 11. He was of Scotch parentage, al-

though born in England. His wife survives him, with a large family of eleven.

An old and respected citizen of St. Marys died on Sunday last in the person of James Chalmers, at the age of 76 years. Mr. Chalmers was born in Dundee, Scotland, in 1823, and came to Canada some 35 years ago, and settled in Quebec, after which he moved to St. Marys, where he carried on the business as hardware merchant for over nineteen years.

A sudden death occurred to Miss Jennie McBride, of Galt, on Sunday evening. About 10 o'clock she went into the basement to see that the furnace was attended to. Twenty minutes later her father found her lying on the floor dead. A ruptured blood vessel in the head was the cause. The deceased was the eldest daughter of William McBride, Albert street, foreman in the Goldie, McCulloch & Co.'s safe department. She was a prominent Methodist Church member and a Sabbath school worker.

W. A. Grenville, D. R. O. for polling subdivision No. 2, Kingsville, has upon record for a new concession to women. Mrs. Carrie McDonald, a lady voter of his district, filed the position of poll clerk at the late election for county councilors. We believe this is the first case of the kind in Canada. Why an election gang should make this day one of smoking and chewing tobacco, until the booth is a filthy place, is unexplainable. Mr. Grenville thinks by introducing lady voters as officials in the minor offices will be an improvement.

Another great discovery has been made, and that, too, by a lady of this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery by purchasing a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking the first dose that she slept all night; and with two bottles has been absolutely cured. Her name is Mrs. Luther Lutz." Thus write W. C. Ham-nick & Co., of Shelby, N. C. Sold by all druggists at 50 cents and \$1. Every bottle guaranteed.

The oyster is one of the strongest of creatures, and the force required to open it is more than 1,300 times its own weight.

ANGOSTURA BITTERS were prepared by Dr. J. G. B. Siegert for his private use. Their reputation is such today that they have become generally known as the best appetizing tonic. Beware of counterfeits. Ask for the genuine article, manufactured by Dr. J. G. B. Siegert & Sons.

Teumseh's Monument.
Although the city school teachers do not smoke the "Spot" Cigar they all favor the Teumseh monument and desire it to be erected under the auspices of the city schools. It will cost about \$1,600, \$500 for the granite pedestal and \$1,000 for the bronze statue. If each school raises \$100 the monument will be unveiled next Dominion Day.

Glorious News
Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health excellent." This shows what thousands have proved—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils, and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by all druggists. Every bottle guaranteed.
