Jim Darry and Jack Burns in Tame

LOS ANGELES, Aug. 25.—Jim Barry had the better of a tame ten-round fight with Jack Burns at the Pacific A. C. Arena last night. No decision was given from the ring. Barry sent Burns to the floor in both the second and the sixth rounds with right swings, and at times showed flashes of his former speed, but for the most part the rounds were devoid of anything like good or rapid fighting, and were replete with clinches and footracing. In the tenth Barry went after his man and had him in distress at the end of the fight. Before the fight started the winner was publicly promised a fight with Jack Johnson, heavyweight champion, in this city at some date during the latter part of September. LOS ANGELES, Aug. 25.-Jim . Barry

Wa Wa, driven by J. McPhee, was played heavily to be second in the third heat, and looked the goods till the %-pole was reached, when she made a bad break and finished fifth.

Victor Gazzette had the call for the first heat, being played down from 6 to evens, and he flattered his backers for a short while, when he blew up.

Fitz Bingen is some trotter when he can take a bunch of pacers like he met into camp. We take our hat off to Fitz. Planet had easy sailing the first heat, after he got to Fairview Belle, who showed a flash of speed to the half.

Forest Pointer, the good stallion owned by Arnold Bros., went the best race of his career, getting a splendid drive from McPhee.

Smutt John Montgomery's entry, hardly up to a race yet, but will be heard

Patterson, the gelding from Peterboro, improved as he went on, landing in the place in the fifth heat.

John Rattenbury of Hamilton, who has sat behind a lot of good ones, was up behind Fairview Belle, but could not land in the money.

James Hume, one of the old guard, drove Freddie K. a good race, and took Fred Rowntree, the fast fielder of the

Tred Rowntree, the last heider of the Tecumseh Lacrosse Club, was up behind Gertie R., and took down the short end of the purse by a terrific drive in the third heat, when she was third, which helped some in the summary.

Lager Purity

To make a Beer like O'Keefe's Pilsener after the celebrated German Pilsen formula, purity is not only desirable, but absolutely necessary.

O'KEEFE'S PILSENER LAGER

is brewed only from the best barley malt, choicest hops, and absolutely chemically pure water. The water is filtered before brewing, and the beer filtered healthful.

15-1, at Fort Erie

Gol darn it, boys, I am back at my old stamping ground .-Fort Erie. Do you remember what I did at the last Fort Erie Meeting? Ten straights without a miscue, and they averaged better than 7 to 1.

"Now, words are pretty, but deeds are facts."

To-day I'll start the ball arolling with a genuine equine corpse. This fellow has been dead so long you have forgotten his name. Five starts and not in the money is his record. While some of the stable boys were manoeuvring around a big beer barrel, irresistible Uncle Bill Dixon, never overlooking an opportunity, slipped over to the the trainer to say nothing, look wise and set it in Thursday until the bell taps, and that is just exactly what I am going to do, and if you care to you are in on it also. After this dash the judges will sit up and take notice, and the form students will go to the bug-house. 'Nuf sed.

Attention: Parties making train for Fort Erie can secure my message at 129 Front-street, four doors west of the Walker House, at 11 a.m. sharp. Don't go to Fort Erie to-day without it tucked away in your inside pocket.
