GREAT NAVAL MEETING AT LOEW'S ON SUNDAY

Fine Series of Pictures and Many Important Speakers Will Assist.

The Royal Canadian Yacht Club is sponsoring the German submarine theatre by special features at Loew's Theatre naval recruiting meeting on Sunday night. The yacht club, which arranges these great gatherings, has called upon the chief officers of the Canadian national organization for the welfare of men of the royal navy and of the merchant marine to take the platform. Hon. James Craig, chairman of the Canadian National Council, will preside, and is expected to make an important announcement as to Toronto's interest in the royal navy recruits who come here for their medical and pass examinations. Dr. Alfred Hall, who has spoken to nearly a half a million Canadians on the navy, will be the speaker, and he will exhibit his naval pictures, which excited much enthusiasm during a recent 6,000-mile tour in the west. During seven years as Strathcona commissioner to universities, colleges and schools, Dr. Hall has spoken to addressed more young people in Canada than anyone else who has traveled the Dominion. Mr. Arthur Blight will give nautical solos.

LEAGUE ADOPTS TWO SCHEDULES

Toronto to Open in Baltimore
—President McCaffery a Director.

Newark, N.J., Feb. 16.—All of the International League baseball clubs were represented at the schedule meeting here today. The league playing schedule for 1917 was adopted, but it will not be made public until Feb. 26.
The pennant season will consist of 112 games, opening April 17, with the clubs playing as follows:
Buffalo at Newark.
Montreal at Providence.
Toronto at Baltimore.
Rochester at Richmond.
The inter-league schedule for the 48-game series between the International League and American Association clubs, was approved, but it will have to be ratified and adopted at a meeting of the American Association, to be held at Kansas City, Feb. 24.
The presidents of the Buffalo, Rochester, Providence, Toronto and Richmond Clubs will constitute the board of directors for the coming year. While the Buffalo and Providence Clubs are on the market for a purchaser, President Lannin will run the Buffalo team for another year, but there may be a change of ownership of the Providence franchise. In that city, President Draper has obtained a new five-year lease of the ball park, but he may dispose of his interest in the club before the season opens. Today he sold his player-manager, Dave Shean, to the Cincinnati Nationals. Manager Christy Mathewson closed the deal here today, and said Shean would cover second base for the Reds, while Groh will play shortstop.
President Barrow said the league took no action in reference to the Baseball Players' Fraternity, but added that this was a matter of which the officials of the National Association would take charge. He also said that in case of the United States becoming involved in war, the understanding was that all the minor leagues would open the season as usual, and the question of suspending play would be decided later on.

COMMITTEE TO SETTLE EX-SOLDIERS IN EMPIRE

British Colonial Secretary Grapples With After-War Problem.

London, Feb. 15.—The colonial secretary has appointed a committee to consider the settlement of ex-soldiers within the empire. The committee includes the Australian high commissioner, and Agent-General Bruce Walker, of Winnipeg. The Times hopes the committee will be allowed to prejudice the war conference committee, and will also have a guard against the accusation only too readily launched that schemes of aiding the emigration of soldiers are likely to denude Britain of the best of her population. What is wanted is a central body to supervise all land settlement.

DUE TO ALCOHOL.

Special to The Toronto World.
Orangeville, Ont., Feb. 16.—The jury empanelled by Coroner Dr. R. W. Rooney, to enquire into the death of William Harrison, who was found in a dying condition by his wife on Wednesday evening, at the home of Robert Weibourne, this afternoon returned a verdict stating "That William Harrison came to his death from the excessive use of alcohol."

IF KIDNEYS AND BLADDER BOTHER

Take Salts to Flush Kidneys and Neutralize Irritating Acids.

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again there is difficulty in voiding it. Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast; continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs, which then act normally again. Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys, and causes no bad effects whatever. Here you have a pleasant, effective little water drink, which quickly relieves bladder trouble.

The Hydro Electric, with an investment of \$284,000, wrote off \$7,500 for depreciation and had a surplus of \$8,586.

FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies Are Using Recipe of Sage Tea and Sulphur.

Hair that loses its color and lustre or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of sage tea and sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautifully dark shade of hair, which is so attractive, use only this old-time recipe.
Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking great pains to get it wet in every part. The gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair, it imparts color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.
