Sympathy tions, and with capitalism and its pothe Italian workers and indignation It proposes immediate action for supervision of industry-and commerce servile instrument of world reaction."

## BREAD IN MONTREAL DOWN CENT A LOAF

Montreal, Oct. 3.—Bread drops one cent a loaf, commencing tomorrow morning. This was the announcement tonight of local bakers, and it follows as a result of the two drops in the price of flour in the last month and also because the price of flour fell last

The loaf, which is a standard one of 1 1-2 pounds, will fall from 15 1-2 cents to 14 1-2 cents.

The Canada Bread Company and the Ideal Bread Company, when questioned at an early hour this morning, stated that they knew of no drop in the prices locally. They stated however, that any change in the flour market over the week-end would probably be too late to affect bread prices until the execu-

### RETICENT ON IRELAND

"The sound principles of commonense," and, before finishing the sent tence ,a merry smile lighted up the major-general's face, "the sound printhe British people to 'partially' win the war will see us thru our present troubles. Great Britain is all right and is going to be quite all right in the near future."

by Major-General J. E. B. Seely, C.B. D.S.O., M.P., the famous cavalry commander and statesman, in the course of an interview with The World yesterday. The main object of his visit to Toronto was to meet the men who served under him during the war, and an interesting function in this con-

heritage of the years past.

There were believers, the president stated, who worked altruistically for Dublin, Oct. 3.—Dublin castle has issued an official denial of the charges made recently by Arthur Griffith, founder of the Sinn Fein, that the government itself was responsible for reprisals in Ireland, and that a cer-tain number of Sinn Fein leaders, in-cluding himself, were marked for

'No such policy, either in whole or n part, has been formulated by his majesty's executive in Ireland; no such policy has been considered," says the denial. "The statements are untrue in all respects."

Military pickets were stopping and searching motors expenses.

searching motor cars passing on the roads in and out of Dublin this morning. One of them was fired on, and two soldiers were slightly wounded

with ten delegates, will have the larg-est representation at the preliminary Self-defence, Not Reprisals.

London, Oct. 4.—A despatch to The
London Times from Dublin says a circular issued by the Royal Irish Con-stabulary office to the district com-missioners of police and county and France, 7 delegates; Italy and Japan, district inspectors refers to the press reports of reprisals against the Irish Subjects to be taken up at the pre-liminary sessions include allocation of the German cables, arrangement of the date and place of meeting of the full conference and preparation of its agenda.

as "generally thoroly misleading." be-cause, it says, the cases often repre-sent acts of legitimate self-defence. The circular adds that reprisals, as agenda.

The British delegation will be beaded by F. J. Brown of the general post-office, and will have among its members two representatives of the Domin-
