

THE HALF IS ASKED FOR NOW.

\$25,000

is needed at once—for the mortgage of \$50,000 must be reduced by that amount this year.

The Hospital for Sick Children last year gave medical aid to over 5,000 sick children.

Can you conceive a more worthy charity than that which cares for the helpless little ones?

We appeal to your generosity.

Give as you can spare—whether it be much or little.

A dollar is a big sum when it comes with 49,999 other dollars from other friends.

Your dollar will bless you in the giving.

Can you help with a dollar?

'Tis a grand work—a noble charity.

The Hospital has helped a Province full of little children back to health and strength.

This call should be a sight draft on your purse—and ought to be paid cheerfully on presentation.

Consider it as a personal demand—to be repaid you by the smiles from the thousands of little ones who will be nursed and cared for by this institution in the years to come.

We appeal to your generosity.

Your dollar will bless you in the giving—your giving will be a much-needed help—when help is most needed.

Give what you can—as much as you can spare.

A quick giver gives twice.
