\$100 Reward, \$100 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being generally induced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts through the blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. When You Need One You Need it Badly

Recent showery days emphasized the need of a raincoat. Nowadays, when the cost of clothes is not any less, one should protect them from the weather and thus keep them shapely and more durable.

An umbrella is all right as far as it goes, but a raincoat is the only perfect protection, besides on a rainy day it is appropriate dress.

Many styles here at moderate prices. Cloth surface, black, gray and khaki paramatta, rubber surface.
