LOCAL NEWS

RANGE FOR SPEEDWAY.
City horsemen have made application to the Militia Department for the use of the Rifle Range for a speedway for the remaining winter months. The location is considered one of the best in the city for such a purpose.

The insurance affected by the fire which occurred yesterday in J. F. Bullock's residence, Germain street, consists of \$4,000 with the Canadian National, on the house, and \$2,000 with the Queen, on the furniture.

THE VIKING SOLD
The five steamer Viking was sold at Chubb's corner yesterday by A. A. Wilson, K.C., high sheriff of the city and county of St. John, under an order of the Admiralty Court, to satisfy claim against her. The steamer was purchased by James S. Gregory for \$1,150.

PRESENTATION.
At a meeting of the Young Men's Bible Society of St. Luke's church last evening, there was presented to Arthur Lindsay, pianist, a leather cover for his book in recognition of his faithful services during the last year. The presentation was made by the pastor, Rev. R. P. McKim.

A HAPPY GATHERING.
The home of Mr. and Mrs. Edward Lapierre, 87 Newman street, was the scene of a jovial gathering last evening when a large number of young men and women assembled in the form of a surprise party and made the hostess the recipient of a dinner. During the evening dancing was enjoyed and an impromptu musical programme carried out, after which refreshments were served.

STILL WAITING TO BEGIN.
The city commissioners still are awaiting an opportunity to commence the discussion of the report of the assessment commission. Owing to the absence of Commissioner McLellan, the committee did not meet this morning, and, as there will be no meeting tomorrow, the work which was to have been devoted to this subject, will have passed without even a beginning of the work. The commissioners are hoping to make a start next week.

COMMISSIONER ON VASTY DEEP

Mr. Wigmore on Voyage on Raft This Morning in the Marsh Creek

The water and sewerage department has an awkward job ahead. While repairs were being made to the sewer main at the Marsh bridge, it was discovered that the concrete in one of the sluice ways was in bad condition. In order to get at the place it was necessary to build a raft. This was launched above the bridge this morning, when the tide suited, and Commissioner Wigmore and some of his staff floated down through the sluice and made an examination. They found that quite a large quantity of concrete has fallen away and that extensive repairs will have to be made. The work will be undertaken when the weather is suitable for concrete work.

The renewal of the sewer at Long Wharf, where collapsed sewer pipe structure has been replaced by a cast iron pipe, were completed this morning.

Owing to the excavating being filled with snow, it was necessary this morning to stop work on the repairs to the drain pipes at the corner of Mecklenburg and Pitt streets.

Repairs are being made to a stop-cock at the corner of Prince William and Britain streets. A vault will be built to contain the new installation.

SEVEN IN FAMILY AND BUT ONE BED; ANOTHER SAD CASE BROUGHT TO LIGHT IN CITY

The president and secretary of the Children's Aid Society had another sad story brought to their attention yesterday. It was that of a young woman of fourteen and has five children, aged two months, one year and ten months, three years, five years and six years respectively. Her husband is thirty-three years old. Yesterday he was drinking and had a bottle, and there was no food or fuel, and the mother had to take her children into a neighbor's flat for warmth. She says that she has received only \$5 from the husband in four months, and that was found in his pocket when he was drunk. He was much trouble and was finally discharged.

In the home the husband, wife and five children have only one bed. The family has been in receipt of charitable relief many times, and more was provided yesterday, and an effort will be made to compel the husband to support his wife and children.

SLIGHTLY BETTER

Private Michael Dawson Had Been Seriously Ill With Pneumonia

Mrs. William McNulty, of 91 Newman street, received a letter yesterday from Miss Beatrice Coverhill, a nursing sister in a hospital in England, reporting that her brother, Private Michael Dawson, who was seriously ill with pneumonia, had slightly improved and that hopes are held for his recovery. Private Dawson left Canada with a unit attached to the first Canadian contingent and served for many months on the battle fields of France. Only recently Mrs. McNulty received a telegram announcing her brother's illness.

MUST NOT DO IT AGAIN

The matter of a by-law infringement, somewhat out of the ordinary, came before magistrate Ritchie this morning. A report was made by Policeman Blundell against four "females" for emptying scrub water from an up town house into the public street. The magistrate asked one to explain but before she got through all were addressing the court, one trying to contradict the other, etc. etc. After the storm had subsided the magistrate explained the meaning of a "portuguese parliament" saying "it was a place where everyone was talking together and no one was listening."

Number one finally said that she had been doing the same thing for seven years on and off and that on this particular day the sink became "plugged." The court said there was no provision in the act for this. Number two said that she was employed by No. 1, so that she was not responsible for the same. The magistrate said that they could not under any consideration throw the blame on the public street. He allowed all to go and said that it would just be the same as if they never had been there.

James Richards, Charles Haley and G. R. Bustard were all fined \$10 for allowing their horses to stand on the north side of King square without foot straps for a longer period than permitted by the by-law. They all pleaded guilty.

FUNERALS

The funeral of Miss Mary J. McNamee took place this morning from her parents' residence, 28 Castle street, to the Cathedral, where requiem mass was celebrated by Rev. William Duke. Interment was made in the new Catholic cemetery. The pall-bearers were cousins—Fred Travers, Harold Travers, Harry Hunter, Kenneth Hunter, James Bowes and Francis Henry. The floral offerings were numerous and included a basket of roses from the police department; crescent, Harold and Fred Travers; cross of carnations and roses, Mr. and Mrs. J. Flood; wreath, William Gibbs; wreath, Charles Crawford; sheaf, Mrs. John W. Hamilton; sheaf, Olive and Hugh Hankins; sheaf, Miss Florence Isaacs; sheaf, Miss Eleanor and Miss Teresa McNamee; sheaf, Mrs. William Hurley; sheaf, Henry and Kenneth Hunter; sheaf, Miss Kathleen and M. Hunter; and a sheaf from Mrs. Frank J. Rafferty. A large number of friends attended the funeral and many were called to extend to the bereaved parents their sympathy in their great loss.

The funeral of James T. Mann took place this afternoon from his late residence, 28 Castle street. Services were conducted by Rev. R. T. McKim and interment was made in Fernhill.

The funeral of Miss Margaret Gancy took place this afternoon from the Home for Incapables to St. John the Baptist church, where services were conducted by Rev. P. J. McMurphy. Interment was made in the Holy Cross cemetery.
