NO DECISION
YET ON POTATO
FREIGHT RATERailway Board Has Not Yet
Settled on Continuation
of ReductionCHAIRMAN LEAVES
CITY FOR OTTAWANo Action Expected on Mar-
time Province Question
Until Fall.

That he could not say definitely whether or not the present reduced freight rate on potato shipments from the eastern to the western provinces would prevail after the month of August, the time when this special six months' rate clause will have expired, was the announcement of the Hon. H. A. McKeown, chairman of the Board of Railway Commissioners of Canada, who left for Ottawa last evening. He was accompanied by Mrs. McKeown.

Hon. Mr. McKeown also stated that the Board of Commissioners would not visit the Maritime Provinces in a body, as announced at the recent Maritime Conference at Moncton, but that they have requested the public as organizations, firms, companies and individuals, to place their views on the Maritime freight rates matter in writing before the Board prior to August 16. The communications received by the Board would then be turned over to its experts for investigation and consideration, Hon. Mr. McKeown said.

NO ACTION UNTIL FALL

Hon. Mr. McKeown further stated that he did not expect any action

would be taken regarding the communications received until fall. "There are so many questions to be settled regarding the railways," Hon. Mr. McKeown said, "that we, as a Board, will take them up one by one and give what appear to us to be the most important and imminent our earliest consideration."

In the matter of engaging an expert to look into the railway problems of the Maritimes, the three provinces to bear an equal share in the expense of the undertaking, Hon. Mr. McKeown said that he thought this to be perhaps the best policy the Maritime Provinces could pursue.

SALMON RUN HERE
IS BEST IN YEARSSardine Fishing Also Good—
Practically All of American
Canneries Open.

The run of salmon in Saint John harbor and just outside has been, for a while, the best in recent years, J. F. Calder, inspector of fisheries, of Campbell, said last night while in the city.

The fishing business, on the whole, was very fair, he said. All but one of the sardine canneries on the American side of the line had started to operate, he said, and the one not now working was expected to open next week. The run of sardine herring off Deer Island and Campbell and in Saint John harbor and district had been good.

Line fishing had been quiet, Mr. Calder said, and, with the exception of hake, the run of fish was poor. The fishermen were getting quite a few hake of good size.

NO ACTION UNTIL FALL

Hon. Mr. McKeown further stated that he did not expect any action
