Two Men are Killed in a Train Accident in Oklahoma.

(By Canadian Press.)

Long Beach, N. Y., Nov. 1.—

Three persons were killed and two others probably fatally injured early today when a Long Island railroad train struck an automobile at a crossing in Oceanside, near here. After hurling the machine 80 feet, the train jumped the tracks and tore up 50 feet of third rail.

Mr. and Mrs. Martin Schmandt and Robert Kline, all of Oceanside, were instantly killed. Mrs. Matilda Kline and Miss Helen Kingsley, the other occupants of the machine, also of Oceanside, both suffered skull fractures, and probable internal injuries, and were taken to Rockville Centre Sanitarium, where it is said their condition was serious.

The train had left Long Beach for Manhattan shortly after midnight.

Cars Are Derailed.

Stroud, Okla., Nov. 1.—Two men were killed and three passenger cars on the "Meteor," fast St. Louis-San Francisco passenger train en route from St. Louis to Oklahoma City, were derailed late yesterday, when the engine struck a ten-ton truck at a street crossing here. None of the coaches overturned, and after a delay of an hour and a half the train proceeded.

N. S. Fatality.

Sydney, Nov. 1.—Joseph Fortune, colored, of Stirling, Glace Bay, aged about 88 years, is dead of a broken neck and Malcolm MacDonald, white, also of Glace Bay, was taken to the home suffering from shock and more or less severe injuries, as a result of an accident on the Grand Lake road about 10 o'clock last night, when their automobile struck a cow and turned over on its side. Patrick McMullen and Jack Shepherd who were also in the car, escaped unhurt. The cow was killed.

SUES FOR \$250,000 IN FLAGLER TANGLE

Sullivan's Wife Said He Was Friendly With Rich Widow.

New York, Nov. 1.—The matrimonial tangle involving Mrs. Beatrice Flagler, widow of John H. Flagler, Professor Armand Sullivan, a teacher of physical culture, whose real name is Goldreich; Miss Ella Dumke, employed by Sullivan in his studio, and his wife, Mrs. Marie J. Goldreich of New Zittau, Germany, became complicated when Sullivan filed a suit for \$250,000 damages in the Supreme Court against the trustees of the Madison avenue property, appointed under a deed of trust by Frederick Haberman, owner of the property.

Sullivan asks damages on the ground that he conducted the studio in behalf of the Haberman trust and was entitled to profits up to \$30,000 a year; that the trustees took possession of the studio in June, set up a similar establishment under the name of the Asculap Health Institute, and induced his employees to go with them by representing that he had been guilty of misconduct and had abandoned the studio.

Women and Younger Sons Met Disaster in British Election

MacDonald Does Not Envy Tories

Cardiff, Wales, Nov. 1.—Prime Minister MacDonald, stopping here on his way to London, declared in reply to calls for a speech, that defeat sometimes was the finest thing that could happen to any party. He asserted that with the present state of trade and general outlook, he did not envy the Conservatives their job.

"I am sorry," said Mr. MacDonald, "that you have lost your seat (Labor) in Cardiff and failed to win the other two, but when you look at the fact that throughout the country we polled 5,000,000 votes at the election on Wednesday, you will realize it was a most marvellous demonstration of the power of the Labor party."

CANDIDATES NEAR END OF CAMPAIGN

Interest in Race for U. S. President Waxes Warm in Last Hours.

New York, Nov. 1.—The great political classic of 1924 in the United States is approaching its day of decision in a shower of sharp words and a fog of rival predictions.

On Monday night the President will deliver a final election eve message to the people by radio, speaking after Mr. Davis likewise has addressed the great invisible jury of sovereign voters through a nation-wide system of broadcasting. Thus for the first time will the nation listen to the two presidential candidates as if from one platform.

Charles G. Dawes, who has borne the brunt of the forensic battle for the Republican ticket will close his campaign tonight at South Bend, Ind. Governor Charles W. Bryan will wind up in his home state of Nebraska.

Senator Wheeler, the only nominee on any of the three tickets to carry his campaign all the way to the Pacific coast, will conclude in New York City. From all three camps today there issued the usual pre-election expressions of absolute satisfaction and unbounded confidence.

The final figures on campaign contributions have not yet become a matter of record, but to date the Republican total stands far in the lead, approaching \$4,000,000.

St. Bernard Monks To Operate Hotel

Geneva, Switzerland, Nov. 1.—The monks of the Grand St. Bernard tired of being exploited by tourists, especially motorists, who spend week-ends at the hospice, and leave without glancing at the alms-box, have now decided to break the centuries-old tradition of free hospitality by converting a portion of the hospice into an hotel.

They will appoint a civilian manager and charge the usual hotel prices. The hospice, which was once rich, receiving contributions from all parts of the world, has suffered heavy financial losses since the war and from the increase of non-paying visitors. The monks, however, will continue to rescue and harbor gratuitously all persons lost in the snow on the pass, while the famous tunnel of dogs will be still maintained.

Tokyo, Nov. 1.—Mantchurian forces have completely occupied Shaanhaiwan on the Chihli-Mantchurian border; the port of Chinwangtao, adjoining the Shaanhaiwan, and Peitshao, a seaside resort southwest of Chinwangtao.

London, Nov. 1.—Edward Elliott, a cartman of Blyth, drove his cart under a wire and accidentally cut his throat. It was England's first radio fatality.

Bucharest, Roumania, Nov. 1.—The banking firm of J. P. Morgan & Co. has underwritten the Republican campaign fund, Frank P. Walsh, counsel for Senator La Follette before the Senate campaign fund investigating committee, charged today.

Says 30 Per Cent. of New York Fires Set

New York, Nov. 1.—Thirty per cent. of the fires in downtown Manhattan's wholesale district, are of incendiary origin, according to Assistant Fire Chief Thomas J. Hayes, in charge of the Fire Prevention Bureau, speaking before the inspectors of the New York Board of Fire Underwriters yesterday.

"Fires vary with the business seasons," he said. "When trade is brisk fires are few; but when unscrupulous, madly rushing after money, cannot sell their goods to the general public, they seek to sell them to the insurance companies, by arson."

HUNT IN VAIN FOR FATHER DELORME

Priest, Acquitted Yesterday by Jury, Sought by Newspapermen.

Montreal, Nov. 1.—The movements of Rev. Father Adelard Delorme, since he left the Court of King's Bench yesterday afternoon, after being acquitted of the murder of his half-brother Raoul, are shrouded in mystery. Reporters attempted to interview him last night, but as far as can be ascertained none of them succeeded.

Vain attempts were made this morning to learn whether he paid a visit to the Archbishop's Palace, whether he was going almost immediately after the conclusion of the trial, according to an announcement by his counsel, Alban Gervais, K. C.

Newspapermen who visited the Delorme residence on St. Hubert street after the trial declared that they returned home with his sisters, who were in his company, and a moment later the car disappeared in the traffic. Where it went nobody knows. The Delorme sisters deny knowledge of their brother's whereabouts.

He got into a limousine awaiting him on St. James street with one of his counsels, and a moment later the car disappeared in the traffic. Where it went nobody knows. The Delorme sisters deny knowledge of their brother's whereabouts.

Buctouche Man Is Badly Burned

Moncton, Nov. 1.—(Special).—Judas Desroche, of Buctouche, was badly burned as a result of trying to save his barn from being burned. The building ad contents were destroyed with an estimated loss of over \$2,000. Mr. Desroche would probably have lost his life had he not heard his children's voices by which he was guided through the smoke to a place of safety.

Legation Standing at Warsaw Raised

Paris, Nov. 1.—To show that Franco-Polish relations have in no way been modified by France's recognition of the Russian Soviet Government, Premier Herriot has decided to raise the French legation in Warsaw to the rank of an embassy, says the Petit Parisien.

The Polish government apprised of the intention showed the liveliest satisfaction, the paper adds, and will reciprocate as regards its legation in Paris.

Case Over Crown Jewels of Austria

Madrid, Nov. 1.—Former Empress Zita of Austria, who has made her home in Spain for more than two years, has brought charges against a German Jeweller named Menevitz, a resident of Madrid, for illegal retention of Austrian Imperial crown jewels valued at 20,000,000 pesetas.

The Spanish courts have begun an investigation of the charges.

NEW NEGOTIATIONS WITH SOVIET WILL LIKELY BE OPENED

Conservatives Now Working on List for New British Cabinet.

LABOR WILL RESIGN

Abandon Idea of Remaining in Office Until Parliament Opens.

BY LLOYD ALLEN (United Press Staff Corr.)

London, Nov. 1.—At his country home today, Stanley Baldwin worked on the cabinet list which he will submit to King George and to Parliament when he succeeds Prime Minister MacDonald next week.

The Conservatives will enter office with the prospects of a revival of trade, and three outstanding foreign difficulties—Mosul, which is in the hands of the League of Nations; Russia and Mexico.

MacDonald's Treaty with Russia will be repudiated, but it is planned to continue recognition of Russia and to begin new negotiations, probably in the middle of 1925.

Resignation Certain.

It is now practically certain that Labor's resignation will be submitted next Tuesday or Wednesday, after the cabinet hears its committee report on the matter of the Zinovieff letter.

Whom Baldwin will select for his ministers was a matter of much speculation today.

Mentioned For Cabinet.

Austin Chamberlain, it is thought, will have the foreign post instead of Marquis Curzon, who formerly held it. Curzon may be Lord President of the Council. Neville Chamberlain, Sir William Joynton-Rick, Sir Robert Horne, Sir Douglas Hogg, Sir Samuel Hoare, Viscount Peel and Lord Birkenhead will have places in Baldwin's government.

King Returns on Monday.

It was definitely announced today that King George would leave Sandringham Palace next Monday, which strengthens the general impression that resignation will come early next week.

The Labor chief, Mr. Ramsay MacDonald, summoned by King, will have to return to his previous occupations. J. H. Thomas, Colonial Secretary, for instance, will resume his post as political secretary of the Railways' Union.

The Labor party at first considered staying in office until the opening of Parliament, using the King's speech to present its programme of radical legislation, but they have now decided there is plenty of time available for the presentation of their platform as nobody predicts another election before 1925.

It is expected negotiations with Mexico will precede recognition. Well-informed observers do not expect recognition of Mexico until guarantees concerning the land laws and the Harro bonds issued here are given.

The Zinovieff Letter.

There is the possibility of an interesting situation developing should the "Zinovieff letter" be proved a forgery. This would give the Conservatives the job of cleaning up the position assumed in the recent note to Russia.

Nobody thinks the Conservatives would apologize to Russia, but would instead probably admit the forgery, claiming the principle of the protest remains unaltered.

Salvation Army Leader Departs

New York, Nov. 1.—General Bramwell Booth, head of the Salvation Army, sailed on the Cunarder Aquitania on his return to England after attending the annual Army conferences in Toronto, Canada. Next year he expects to pay an official visit to the United States. His sister, Commander Evangeline Booth, head of the organization in the United States, went on the ship with other officials.

The Duke and Duchess of Alba and Berwick and Mrs. Louise Wise Lewis of St. Augustine, Fla., also sailed on the lines.
