### LOCAL NEWS

#### FIRE MARSHALS' CONFERENCE

Hugh H. McLellan, fire marshal of New Brunswick, left for Portland, Me., last evening for a conference of the fire marshals of North America. It will begin today and continue until next Saturday. E. P. Heaton of Toronto, president of the Canadian Fire Marshals' Association, will be among those in attendance.

#### BY-LAW MATTERS

Michael Joseph was charged this morning with desecrating the Lord's Day by hauling wood through the public streets on last Sunday. Thomas Stephen appeared to answer to the charge and pleaded guilty. A fine of \$10 was imposed.

George Burton was fined \$10 this morning for speeding in Douglas avenue. He pleaded guilty.

#### ST. PETERS VS. ST. STEPHEN

The members of St. Peter's baseball team will leave for St. Stephen on Thursday morning and will play two games with the champions of the border town league, one game on Thursday afternoon and the other on Friday. They will return home on Friday night, and on Saturday the two teams will play the third and deciding game of their series on St. Peter's ground. The teams will get by train, and it is expected that some local fans will accompany them. Honors between these two teams for the season are divided, each having a win to its credit.

#### SPORT MATTERS

A. W. Covey, president of the Maritime Branch of the A. A. U. of C., announced this morning that the annual meeting will be held in Amherst on October 20. He suggested that any clubs desiring changes in the rules would do well to form resolutions now and have them submitted in time to be dealt with at this meeting.

There is a rumor current about the city that a movement will be made to have baseball taken out of amateur sport and put on the same basis as bowling. This, they say, would enable athletes to compete in baseball during the summer and so long as they did not accept any remuneration, be eligible to play in amateur ranks during the remainder of the year.

#### ST. JOHN GROOMS IN TWO WEDDINGS

Thos. J. Durick Married in Newcastle and H. E. Magnusson in St. Andrews Today.

(Special to Times)

Newcastle, N. B., Sept. 12—A wedding of much interest was solemnized in St. Mary's church, Newcastle, this morning at 9 o'clock when Rev. P. Dixon, who was celebrant at nuptial mass, united in marriage Miss Mary Helena Buckley, daughter of Mr. and Mrs. William Buckley, of Newcastle, and Thomas J. Durick of St. John. Father Dixon was assisted by Rev. William Bredau, Rev. (Captain) B. J. Murdock, and Rev. William Hogan, C.S.S.R., rector of St. Peter's church, St. John. The bride was becomingly attired in a travelling suit of navy blue, with a moleskin scarf and blue hat and carried a bouquet of Ophelia roses. She was attended by her sister, Miss Josephine Buckley, who wore a brown suit with beaver scarf, blue hat and carried a bouquet of roses. The groomsmen were Leo A. Durick, brother of the groom.

Following the ceremony a dainty wedding breakfast was served at the home of the bride's parents, Mr. and Mrs. Durick left on the Ocean Limited on a honeymoon trip to Montreal and New York. On their return they will visit St. John and then proceed to Campbellton where they will reside. They were the recipients of a large number of magnificent presents. The groom has been in the drug business in St. John for many years and a lot of friends will unite in wishing him and his bride every happiness. Mrs. Durick was formerly on the nursing staff of the East St. John Hospital.

Magnusson-Rankine.

(Special to Times)

St. Andrews, N. B., Sept. 12—In the picturesque little Anglican church at Chatham on Tuesday morning at eight o'clock, a pretty wedding was solemnized by Rev. Canon E. B. Hooper, when Emmeline Dorothy, youngest daughter of Mr. and Mrs. Henry Rankine, became the bride of Harry Everett Magnusson, son of Mr. and Mrs. Charles Magnusson of St. John, in the presence of relatives and interested friends. The double ring service was used. The wedding was a charming one, and the little church was most artistically decorated for the occasion with greenery, hydrangeas, asters, gladioli and fox, while the windows were banked with flowers of autumn tints.

The young bride looked very sweet and winsome as she entered the church with her father to the strains of the bridal chorus from Lohengrin, played by Miss Helena Magnusson of St. John, sister of the groom. The bride was becomingly costumed in a travelling suit of navy blue cloth with feather hat of henna and carried a bridal bouquet of sweetheart roses and maidenhair fern.

Immediately following the ceremony Mr. and Mrs. Magnusson left by automobile for St. John, from where they will leave on a honeymoon trip to the Great Lakes and Niagara Falls, at the conclusion of which they will reside in St. John, where the groom is associated in business with his father.

Many beautiful wedding gifts were received, testifying to their popularity. They included a chest of silver from the bride's family and a substantial check from the groom's parents. The groom's gift to the bride was a handsome Hudson seal coat, with collar and cuffs of Alaska sable. The bride, following her graduation from Charlotte county Grammar school, class '19, took a commercial course at Mount Allison Ladies' College and has since been employed as stenographer in the Royal Bank of Canada, St. John. A host of friends will unite in wishing Mr. and Mrs. Magnusson much future happiness in their new life. Out of town guests attending the wedding were Mr. and Mrs. Charles Magnusson and the Misses Helena and Ina Magnusson of St. John, parents and sisters of the groom.

#### HYDRO MATTERS UP NEXT WEEK

Provincial Commission Will Meet With City Representatives to Discuss Proposed Contract.

C. O. Foss, chief engineer of the New Brunswick Electric Power Commission, announced this afternoon that he had received a letter today from Mayor McLellan, asking the commission to arrange for a meeting with the city representatives to discuss the proposed contract for energy from the Musquash development. Mr. Foss said that the meeting would be held on Tuesday evening of next week, likely at a meeting of the government which is scheduled to open in Fredericton on Tuesday evening.

The mayor in his letter explained that Commissioner Bullock would be absent from the city until next Tuesday and suggested the afternoon of that date for the meeting.

#### HALIFAX WEDDING OF INTEREST HERE

Halifax, N. S., Sept. 12—Dr. Michael James Carney, local practitioner and professor at Dalhousie University, and Miss Ellen Evelyn Lewis, daughter of Mrs. Robert O'Mullin, of this city, were married in St. Thomas Aquinas church this morning. The bride was given in marriage by her uncle, D. E. Lynch of St. John. Dr. Carney is a son of the late M. Carney, who for many years was one of the representatives of Halifax in the dominion parliament.

The bride's mother was formerly Miss Evelyn Lynch of Paradise row, St. John.

#### GETTING READY FOR HYDRO.

It is reported that several residents in Westfield are having their homes wired with a view to securing the hydro current from Musquash. It is expected that the distribution arrangements will be completed in two months.

### HYDRO BLASTING GETS INTO COURT

#### Complaint and Testimony and Settlement of the Matter.

Hydro matters got into the police court this morning when Howard Fraser was charged with conducting blasting operations in the Sandy Point road and allowing dynamite charges to be set off without covering. He pleaded not guilty.

Albert Phillips said he was a resident of the Sandy Point road and that blasting had been done near his house by people who were running the hydro line through there. Last Friday afternoon he had told the men working there that he thought it was dangerous. Stones had gone over his barn and around his house. No damage had been done but he said they did not cover their charges with the blast. There had been about 200 feet from where they were blasting to his house and stones had fallen 95 feet from his house. To Mr. Fraser he said that the dynamite had been done his property by the dynamite box had been left unlocked over night.

Sergeant Rankine said in consequence of Phillips' complaint he had gone to his property on Saturday. He had met Fraser there and the latter had told him that he was in charge of the blasting. The men had told him that they had no protection for their blasts. He said he had picked up stones said to have come from the blast. There had been an unlocked box of dynamite nearby.

Howard Fraser said he worked on the St. John-Moncton transmission line and that Phillips had had a house close by where they were working. Some excavating had been necessary to remove a stump and two plugs of dynamite had been used. The weight of the boulder would keep things from flying about. He knew nothing about the rocks produced in court and said to have come from the blast. He was always careful when blasting. To Sergeant Rankine he said work had been held up by the dispute. The blast had not been covered.

Walter I. Snook said he was the contractor for clearing about thirty miles of the right of way to Moncton. Phillips had asked him for a job about ten days ago and he had told him that so soon as there was an opening he would be given one. Phillips had given him permission to go in his driveway to get to the right of way and had asked for a job as late as last Friday again. He had instructed the men, of whom Fraser was the foreman, to put two sticks under the rock, a small charge. He had been at Phillips' house when the charge had gone off and had stood beside Phillips. A piece of mud possibly as large as his finger landed in the back yard. He characterized one of the rocks produced in court as a surface which was no part of the rock excavated and said the other might have come out of an excavation somewhere. The matter was settled by agreement among the parties concerned.

### THE NEW HOSIERY FOR FALL Has Arrived

No doubt you have noticed that it isn't always a woman's suit or frock or hat that accounts for her attractive appearance. No! Frequently it is in the lesser costume details that she expresses her smart individuality, her feeling for perfect grooming. This is particularly true of hosiery for no matter how fashionable a woman's frock may be it loses much of its style distinction unless her ankle is trimly clad in stylish hosiery. That is why we have arranged this special hosiery event which presents values of extraordinary importance.

ALL WOOL HEATHER HOSE AT \$1.00 A PAIR is the big feature during this sale. These are to be had in a great variety of colorings. But opportunities are equally great in all other lines of all wool and silk and wool mixtures in plain or ribbed at prices ranging from \$1.25 to \$2.35 Pair.

Mail Orders Receive Prompt and Careful Attention.
