The death of Daniel G. Toole occurred at his residence 228 St. George street, West Side, after a few days illness. Mr. Toole was well known on the West side, where he resided all his life. The proceeds amounted to about \$100. In addition to the several specialties were given in which Mrs. H. M. Campbell, C. P. Wetmore, G. MISSIONARIES HERE FROM INDIA

Presbyterian Workers on the Melita—Speak of Their Work.

Mr. and Mrs. A. R. Graham, two missionaries from India, were passengers on the C. P. O. S. liner Melita, which arrived in port last night from Liverpool. Mr. Graham is a son of Rev. D. Graham of Edmonton, and his wife was formerly Miss Conpton of Prince Edward Island. They are returning to Canada on a furlough and will first visit relatives in Montreal, after which they will proceed to P. E. Island. In the fall they will go west and remain there until they return to resume their work in India.

Mr. Graham has been in India for six and a half years, and Mrs. Graham for two and a half years. They were married last summer, and are residents of Rassalpara, where the former is in charge of the medical work in the hospital. They are both members of a Presbyterian mission.

When Mrs. Graham first went to India she was attached to the Dhar hospital, but after her wedding last year she took charge of all medical work in the hospital at Rassalpara, Mhow. There are 300 families, all Christians, in their village and are looked after by Mrs. Graham, who is ably assisted by Doctor Bunyan and his sister, Doctor Shundy. Two Indian maidens assist in nursing. In addition to members of the village, scores of people from surrounding districts come to them for treatment. Speaking to the Times, Mrs. Graham said that the work is largely among the children, who suffer from eye diseases. They also instruct all regarding proper sanitary methods in their mode of living and also on hygiene.

Mr. Graham's activities are along industrial lines. He has a large school where boys are educated, and is also instructed in carpentry work, the manufacture of silk, carpets, printing, etc. He also started an agricultural school just before leaving on his furlough. In addition to these activities, both Mr. and Mrs. Graham devote a period every day to evangelical work and have large classes of natives who are studying the Christian religion. They report two of their greatest triumphs the conversion of two Brahmins. One is a young man, who was ostracized by his relatives for becoming a Christian, and the other was an old Hindu priest. Learning of the teachings of Mr. Graham, he went to see him and was converted. He is now going about preaching the Christian doctrine to his former followers, and is reported doing very effective work. Both Mr. and Mrs. Graham are happy in their work, and although they are delighted to be back in Canada they are already looking forward to their return to their home in Rassalpara.

ROADS OPENED FOR AUTOMOBILES

Some Released in Statement Today—Request to Pleasure Riders—Trucks Still Barred.

The provincial road engineer, B. M. Hill, arrived in the city on Tuesday and after examination of several roads leading out of St. John, authorized the statement that the following roads are open for automobile traffic, namely: The Loch Lomond road as far as the Upstead St. Martins road; the Golden Grove road as far as the junction of the Church Land road and the French Village road as far as Kellar's Corner. The Rothesay Avenue road as far as Gouda point; the Westfield road as far as Westfield Beach; the St. John-St. Stephen road as far as Musquash, and the Red Head road to Mispec.

Business conditions require the opening of these roads earlier than would be justified for pleasure, and the provincial engineer hopes that automobiles used for pleasure only will not make excessive use of these highways before May 1.

The Westfield road is still in the hands of the contractors who are completing the graveling and therefore automobiles must assume certain risks and be subject to any delay. Mr. Hill hopes that the road from Rothesay to Sussex will be available for travel in a few days but owing to certain sections still retaining the frost, he considers it inadvisable to open it now. This condition also applies to roads on the Kingston Peninsula and other centres in the southern part of the province where shaded roads have prevented the frost from coming out as early as in the more open sections. This authorization does not apply to trucks.

TELL OF THEFTS AT LA TOUR

Witnesses in Case of Frederick Roberts Testify in the Police Court.

As a result of an investigation by the detective department into recent thefts from LaTour Apartments, Frederick Roberts appeared in the police court this morning, on suspicion of stealing a revolver, valued at \$5, from George Gibbs; six shirts, valued at \$9, from Charles H. MacDonald; and also on suspicion of breaking and entering the room of Mr. MacDonald and stealing a watch, valued at \$30.

Mr. MacDonald gave evidence. He said the accused was at one time a porter in the apartments. Detective Biddiscombe told of searching the room of the accused in the Windsor Hotel and finding six shirts identified by the complainant. With Detective Donahue he said he had a conversation with the accused which led to a search in another room, where they found a watch sewed in the corner of a mattress. Mr. Gibbs, who occupies a room in LaTour Apartments, said that he missed his revolver. He said the accused in the course of his duties would have access to the rooms. The case was postponed. Two men charged with drunkenness pleaded guilty and were remanded. One man who was arrested on a similar charge, put up a deposit last night, but failed to appear this morning.
