(Special to Times)
Marysville, N. S., Nov. 20.—Samuel C. Trant, a prominent farmer of Marysville, was found dead in his yard yesterday. The cause of his death is believed to be a fall from a horse.

A NOVEL SUGGESTION

Increase Regina Taxation and Make Street Cars Free

Regina, Sask., Nov. 20.—Police Magistrate Trant yesterday made a suggestion that the city council increase the tax levied on tax-payers by an amount of \$20 a head and that every person travel on the street cars free.

Prominent Railway Man Dead

Chicago, Ill., Nov. 20.—James Charlton, chairman of the Trans-Continental Passenger Association, died yesterday at his home here of paralysis, aged eighty years. He had been associated with railroad work in the United States since coming from Canada in 1870.

Phelix and Pheridians WEATHER BULLETIN

Issued by authority of the Department of Marine and Fisheries, H. F. Stuart, director of the meteorological service.

Synopsis—Depressions exist over the western provinces and in Eastern Canada, while pressure remains highest in the South Atlantic states. Rain has fallen heavily from the Georgian Bay region to the maritime provinces.

Heroic P. E. I. Mother Lowers Herself Into Well and Rescues Her Little Child

(Special to Times)
Charlottetown, P. E. I., Nov. 20.—Yesterday the three year old child of W. A. MacDonald, of Grand Tracadie, fell down a forty foot well. The mother, locating the child by its cries, lowered herself down by the well rope and rescued the little one.

MR. MCNICOLL AND MAYOR WERE IN CONFERENCE TODAY OVER LOCAL HARBOR MATTERS

Why C. P. R. General Manager Opposes Extending Wharves Into Harbor or Using Part of the Neutral Strip—Company's Plans Ready

The attitude of the C. P. R. towards the proposal to make the next government berth at West St. John's a long and their reasons for opposing the change in the plans were explained today in a conference with Mr. McNicoll, general manager of the road, who had a long conference with His Worship this morning. In addition to this phase of the subject other matters relating to harbor development were discussed.

BELIEVE TWO CURES ALREADY IN THE JORDAN SANITARIUM; PREMIER HERE FOR MEETING

"It is our ambition to have, not necessarily the cheapest, but one of the best sanitariums for tubercular patients on the continent," said Premier Fleming this morning while discussing the work of the Jordan Memorial Sanitarium at the Jordan. The equipment of the sanitarium is ideal and after a visit to the institution one cannot help feeling that here, if anywhere, those afflicted with this disease may win back their health and strength and return to their homes as sound as they ever were.

Each Province Practically Will Have Parcel Post System After January 1

(Special to Times)
Montreal, Nov. 20.—The new parcel post to be inaugurated at New Year's will be on a system peculiar to Canada. On account of distance, uniformity in price is impossible, so, broadly speaking, each province will have its own parcel post system, handled by the central post office, and charging a uniform rate for parcels carried within the limits of the province. In this sense, each province will be a separate one, but instead of the limit being a geometrical it will be a geographical one.

FUTURE AS TO MEXICO STILL SPECULATION

(Canadian Press)
Washington, Nov. 20.—The eyes of official Washington were turned today on the Mexican congress and Huerta's message on his recent assumption of power. The possibility that the new congress might act on concessions discredited in advance by the United States, was thought in many quarters to be a pivot on which the next move by the United States government might turn.

DIAMONDS AND SILVER FOR THE WHITE HOUSE BRIDE

Washington, Nov. 20.—Miss Jessie Wilson, the White House bride-elect, received a \$2,000 present from the group of representatives today. A sparkling diamond pendant resting in a satin lined jewel box, with a tiny key hanging from a heart-shaped lock, was taken to the White House by a member of a Washington jewelry firm which has been preparing the gift. A sentiment inscribed upon parchment paper accompanied the gift. The gift of women voters of Northern California to Miss Jessie Wilson, daughter of the president, on the occasion of her wedding next Tuesday, was sent to the bride-to-be by subscription. It is of old colonial design. The service was purchased by subscription.

ANOTHER IRISH ARMY This One to Uphold Authority of The Government

(Canadian Press)
Dublin, Nov. 20.—A movement has been started to organize an Irish National volunteer force to uphold the authority of the government in Ireland, on the same lines as the Ulster force which Sir Edward Carson is organizing.

NATIONAL VOLUNTEER FORCE Start Recruiting Among Dublin Strikers—Leaders Plan on Same Lines as Carson's Force in Ulster

The two leaders in the movement are Sir Roger Casement, who is well known for his investigation into the Putnam atrocities, and Captain White, son of the late Field Marshal Sir George White. Captain White, who went through the South African war with distinction, has resigned his commission in the British army to create the National force. He intends to start by recruiting men now on strike here.

START A PIGGERY Manawagoo Farm Rented And 50 or 60 Animals Now There

A new business which promises good results has been established on the Manawagoo farm by Harold Chabot, son of the late Mr. Chabot. He has leased the R. D. Hamilton farm, now the property of Harold Chabot, and has established on it a modern piggery. The farm contains about twenty-five acres with farm houses, barns, etc. Buildings have been erected for the accommodation of the live stock, and already fifty or sixty animals have been placed on the farm.

NOT MURKY BUT DRUNK Trouble on British Steamer Was The Cause

(Special to Times)
San Francisco, Nov. 20.—Officers of the British steamer Santa Rosalia, which cleared for England on Tuesday afternoon, have reported that the vessel was beset by a crew of forty-one who were drunk and guarded by armed men from the United States revenue cutters, who were sent to sail against the steamer.

LOOKS LIKE HOCKEY FOR ST. JOHN THIS WINTER

It is understood that negotiations are under way for the re-organization of the Provincial Amateur Hockey Association which was in active existence among the principal hockey centres of the province a few years ago. Several of those interested in hockey in this city have not yet received an reply to their home town.

NEW BRUNSWICK "ROAD DAY" There is a Prospect For Such an Even in the Spring

Plans are being discussed for a provincial "road day" for New Brunswick next spring. The idea was suggested by the success which attended the experiment in some of the western states this year when almost every able bodied man in the state, from the governor down, turned out and gave one day's work to improve the roads. The work was undertaken in a holiday spirit, but the results accomplished showed that there was little of a holiday about it for those engaged.

FISH CATCH GREATER Report for Six Months—Atlantic Lobster Pack Lighter But More Valuable

(Special to Times)
Ottawa, Nov. 20.—The marine department reports an increase of about thirty per cent in the total value of the sea fish caught by Canadian fishermen during the last summer and autumn. For the first half of the fiscal year, April to September inclusive, the estimated value of the total catch of sea fish is nearly \$12,000,000 as compared with \$11,500,000 for the corresponding six months of last year.

CONGRATULATIONS

DIR WILFRID LAURIER

Ottawa, Ont., Nov. 20.—Seventy-two years old today, Sir Wilfrid Laurier walked down to his office this morning with a spring in his step which gave away the fact that he is still as vigorous as to who is the great Canadian. The world and the empire are calling attention to the many years in which Sir Wilfrid's name stands out as a shining figure in the history of the Dominion.

NEW CATHOLIC CHURCH FOR MONCTON NEEDED, SAYS BISHOP LEBLANC

St. Bernard's, Too Small For Growing Congregation in The Railway Town

Moncton, Nov. 20.—His Lordship Bishop LeBlanc spent a busy day in Moncton and Lewisville yesterday afternoon, and returned to St. John today. Yesterday afternoon he was in the city of St. John, and in the evening he was in Lewisville. During the day the bishop received four addresses: two in English and two in French, and he responded to each of them. He paid an official visit to St. Bernard's, and St. Louis congregations. He inspected the buildings and property.

LAST WORDS OF GROUCH

German Writer in Home Paper Closes With Blue Rink Prophecy For Canada

(Special to Times)
London, Nov. 20.—Germans are not mending their ways, says the "Canadian," a public life. Germanism is dying out even in wholly German settlements throughout the country, and in the towns German names and character are anglicized. No German is spoken.

HUNDRED AND SIX Y. M. C. A. BRANCHES NOW IN CANADA WITH 40,000 MEMBERS

Montreal, Nov. 20.—Thirty two members of the national council of the Y. M. C. A. of Canada representing the three divisions of the dominion, who are attending the second annual meeting of the council in this city, were entertained at dinner by the local members of the council last night. The representatives were business men from Sydney in the east to Calgary in the west.

DOLLARS WITH SAND ON THEM!

Don't we often wish they made them that way when we see how they slip through our fingers? It takes shrewd buying to make an income show a surplus in these days of our old friend, the High Cost of Living.

MAKES GOOD SHOWING Another Cut in Power Rates in Ontario

(Canadian Press)
Toronto, Nov. 20.—While coal for the people of Ontario is to be cheaper still, a remarkable record in economical efficiency has been established by the municipalities operating under the administration of the provincial hydro-electric commission during the last nine months.

LEAN MONTHS GOOD ONES Hydro-Electric Commission Shows Profit and Recommends to Municipalities a Further Cut in Rates to Consumers

The report of the chief engineer, P. A. Galt, submitted to the commission yesterday, demonstrates a most prosperous condition in every part of the province. During the nine months ended September 30, the lean months of electrical use, each municipality in the system has met the full obligation for operation and maintenance charges, including interest and sinking fund and has a substantial balance available for depreciation and test account. Moreover every municipal system has a surplus, in some cases more than fifty per cent on the total cost of maintenance and operation.

CHAMPLAIN IS TO BE TAKEN TO METEGHAN

River Steamer to be Repaired and Spend Winter in Nova Scotia Water

The steamer Champlain will leave for Meteghan, N. S., next week to undergo repairs to her hull and will probably be there all winter. Her last trip for the season up the Bellefleur was made on Saturday, and she will return early on Sunday morning. She will be taken to Meteghan by Captain Watson, who is detailed as well as a river captain. It is the intention of the owners to repair the steamer during the winter.

AMERICAN FEDERATION OF LABOR BUSINESS

Movement to Settle Petty Differences Which Have Caused So Many Strikes

Seattle, Wash., Nov. 20.—The report of the committee on adjustment, dealing mostly with jurisdictional disputes between the unions was the special order of the day at the American Federation of Labor met today. The temper of the delegates indicated that the votes in favor of settling the petty differences which have caused so many strikes would be decisive.

ONE PASSENGER HURT AND LIKELY TO DIE

Washington, Nov. 20.—One passenger was probably fatally hurt, and five others slightly injured in a head-on collision early today, at Barton, S. C., on the Southern Railway. The passenger who is not expected to live is T. A. Lloyd. His home address is not known here.

AT WORK AGAIN

HALF MILLION IN ISLAND PURCHASE

Fox Ranch, Farm and Oyster Shore Front Bought

BOSTON MONEY IN IT

(Special to Times)
Charlottetown, P. E. I., Nov. 20.—The second largest deal in the fox business on the island has just been put through. James C. Tuplin of Black Bank in the eastern part of the province has disposed of his farm property including a fox ranch also of large areas of shore front for oyster cultivation to a syndicate composed mainly of Boston capitalists and a few island moneyed men. The ranch contains eleven pairs of black foxes of the highest quality. The deal involves an expenditure of half a million dollars.

IMPORTANT TO SCHOOL TEACHERS IN ENGLAND

New Register to Make Profession Real With Power to Exclude These Not Professionals

(Special to Times)
London, Nov. 20.—An important step in the annals of the scholastic profession will be taken today when the teachers' registration council meets at Bloomsbury to approve the conditions of admission to the new register of teachers, the compilation of which forms the first step in the process of making the profession real with power to exclude those not professional.

HARVARD FAVORITE BUT YALE MAY SPRING SURPRISE

New York, Nov. 20.—Although some of the New York football critics declare that Yale and Harvard have about even chances of winning Saturday's game, betting odds in the financial district and in collegiate circles here, are reported to be shifting even more heavily in favor of Harvard. The prevailing odds today were said to be 10 to 7 with Yale backers seeking 10 to 6.

AT WORK AGAIN

The Stetson Cutler mill at Indian-town, which was closed down on Tuesday owing to a slight break in the machinery, resumed operations this morning.
