"For the cure of headache, Ayer's Cathartic Pills are the most efficient medicine I ever used."—Robert K. James, Dorchester, Mass, "For years I was subject to constipation and nervous headache, caused by derangement of the liver. After taking various remedies, I have become convinced that Ayer's Pills are the best. They never fail to relieve my bilious attacks in a short time; and I am sure my system retains its tone longer after the use of these Pills, than has been the case with any other medicine I have tried."—H. S. Sledge, Weimar, Texas.
