KIDNEY DISEASE COMES ON QUIETLY.

Perhaps no other organs work harder than the kidneys to preserve the general health of the body and most people are troubled with some kind of kidney complaint, but do not suspect it. It may have been in the system for some time. There may have been backache, swelling of the feet and ankles, disturbance of the urinary organs, such as brick dust deposit in the urine, highly colored scanty or cloudy urine, bladder pain, frequent or suppressed urination, burning sensation when urinating, etc. Do not neglect any of these symptoms, for neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes. On the first sign of anything wrong Donan's Kidney Pills should be taken. They go to the seat of trouble, strengthen the kidneys and help them to filter the blood properly and flush out all the impurities which cause kidney trouble. Miss Alberta B. Clark, Stony Creek, Ont., writes: "I have troubled with kidney trouble for several years, my back was weak, I had such terrible headaches, and was so restless I could not sleep at night and tried everything without any benefit. My doctor friend advised me to try Donan's Kidney Pills, so I got four boxes and they completely cured me. I now feel as well as I ever did and would advise everyone suffering from kidney disease to try them." Price 50 cts. per box, or for \$1.25, all dealers or The T. Milburn Co., Limited, Toronto, Ont. When ordering specify "Donan's".

KATHLEEN COLT WINS SUBURBAN

NEW YORK, N. Y., June 24.—Fitzherbert, the sturdy three-year-old son of Fitzherbert-Morganatic, easily won the Suburban Handicap today from a field of six starters. The colts, who had never contested for the honor of the classic event of the American turf, bearing the colors of Sam Hildreth, the sleek brown horse, with Eddie Dupak up, went the distance of a mile and a quarter in 2:02 1/2, which is only 3/5 of a second slower than the record for the event, hung up by that sterling hand-to-horse, Dan Patch. The four-year-old Alfred Nobis was second, finishing six lengths behind the winner, and Fayette, a smart three-year-old, was third.

TOURNAMENT OF MIXED DOUBLES

Despite a general cloudiness upon the part of the weather man in his somewhat dubious analysis of yesterday there were many attended the weekly tennis tea held at the club courts, Gilbert's Lane. The hostesses were Mrs. W. Barker, Miss McLaren and Miss McAvilly. An interesting feature of the afternoon was the play-off in a tournament of mixed doubles. There were six couples entered in the tournament and each played each, the final score being arrived at from the total number of games won. The following is the list in the order in which they finished: Mr. Merkel and Miss McLaren, Mr. Barnaby and Miss Schofield, Mr. Dobbin and Miss McKenzie, Mr. Wetmore and Miss Truman, Mr. Barnes and Miss Barnes, Mr. Alward and Miss Bridges.

NEW YORK WINS 4 FROM BOSTON

Captures Two More Games Yesterday—Giants Hit Hard

NEW YORK, N. Y., June 24.—(National)—New York made it four straight from Boston by winning two games today, the scores being 7 to 4 and 12 to 5. As was the case yesterday, the first contest was interesting and the second a farce. The hard hitting of the locals and two great catches by Coffey, Boston's new shortstop, and the features of the afternoon's play. The scores: R.H.E. Boston...000010010-12 4 New York...01001104x-7 13 Batteries—Coffey and Graham; Raymond and Schell, 9 innings. Umpires, Riejer and Truby. (Second Game.) R.H.E. Boston...00000010-5 5 New York...01000000-3 11 Batteries—White, Bouttes and Bowerman; Ames and Schell, Snodgrass. Time, 1:50. Umpires, Riejer and Truby.

LONGBOAT WASN'T AFRAID OF SHRUBB BUT OF PAT POWERS

He Has Given Thousand Dollars to Run on Saturday

TORONTO, June 24.—The Toronto Star says: "People who said that Tom Longboat was afraid to meet Alf Shrubbs in 20 miles because he procrastinated over the final race are another 'think' coming. True, the Indian did shilly-shally about running Shrubbs 20 miles, and those promoters who tried to deal with him told it around that the redskin was shivering in his boots, but after some talk digging those in the Indian's confidence, there are any—discovering that Longboat wasn't afraid of Shrubbs, but of Pat Powers. He was quietly looking after Tom Longboat's cut, and, his disbelievers, was patient and waiting. He knew they had to come to him, and sat tight. So it came that Alf Shrubbs made a straight proposal to the Indian, and agreed to settle with P. T. Powers. He made a flying trip to New York, got P. T. Powers to consent to take so much for his end and leave the Indian's end alone. That suited T. Longboat to a dot, and he signed up to meet Shrubbs. That he has always been willing to run Shrubbs is an open secret to those on the inside. The Indian, has announced that William A. Brady, instead of roaming down town, has been doing quiet early morning training stunts around High Park. That he is in great shape is shown by his ten miles in 33:44.5 over a rough track at Buffalo last night, and the confidence, easy way he handled Netrick. That Alf Shrubbs fears the big redskin is shown by the fact that he went over to see him run, and that when he returned to town today he didn't offer to bet so many thousands as he did last time.

TORONTO OPEN ANOTHER PARK

Locals Play First Game on Cornwall's New Grounds Next Saturday

CORNWALL, June 24.—Cornwall's new athletic grounds will be officially opened next Saturday, June 26, when the local lacrosse team will have for their opponents the Torontos, on July 1, 1893, just twenty years ago. There has since been many changes in the game of lacrosse, as well as in the grounds and the position of the goal. Cornwall's new stand is one of the finest in Canada. It will seat 2500 people, and is so arranged that every foot of the playing field is in full view from every seat. It is divided into three large sections, each of which has sub-sections, and in the front, with access to the dressing-rooms, is ample accommodation for the press and executives of the competing clubs. At the ends and across the south end are "bleachers." The field itself is very level and has a good crop of grass. When the old grounds were opened twenty years ago, Cornwall won by the very decisive score of 5 to 1. And they hope to be able to do as well next Saturday, and thereby wipe out part of the stigma of last Saturday's Waterloo at the hands of the Torontos. The Cornwall team of twenty years ago consisted of Norman Carpenter in goal, Hugh Adams, now of Campbellford, Ont.; Constable "Manny" Crites; Alex. Riviere, now of Montreal; Jack Kerwin, of Cornwall Island; Wm. Leary, now of Prescott; Dr. A. A. Smith, Geo. Tudhope, now in Buffalo, Columbia; Ald. James F. McCulloch, Dr. Neil Wright, an old glenarrigan, now of Red Lake Park, Minn., and Alex. Black, Frank Lally was field captain. The Torontos were: St. Martin, Carmichael, James S. Garvin, Boyd Vaita, Woodhouse, Jack Garvin, Gale, Irving, Walker, Schofield and Sewell, with McKeefry captain. William Pollock, who officiated as one of the referees in Montreal last Saturday, was referee, and the umpires were H. Barnes and R. B. Coulson, of Montreal.

Enochie was chased to the clubhouse by Empire O'Leighlin in the eighth inning when he questioned a close decision at second. The police had to escort the umpire from the grounds at the close of the game. Score: R.H.E. Washington...00000100-2 11 2 Boston...00000002-3 11 2 Batteries—Alcock and Street; Ryan, Arulanandam and Carrigan, Spencer, Time, 1:50. Umpires, Perrine and O'Leighlin.

FAIRVILLE PLAYERS ARE AGAIN DEFEATED

Despite the threatening weather a fairly large crowd gathered at the Shamrock grounds last evening to witness the match between the Saint Josephs and A. O. H. ball tossers. The former aggregation pulled out a victory in a three-inning contest. However, as four innings are necessary to constitute a match, the game will have to be played again. A heavy fog early enveloped the field and made playing rather difficult. The final score stood 3-1, although most of the Saint Josephs' tallies were made when it was almost impossible to see the ball.

PHOENIX IS TOTAL LOSS. MACHIASPORT, Me., June 24.—Lobby Island, the graveyard of the eastern Maine coast, probably became the last resting place today of the three-masted British schooner Phoenix, bound from Windsor, N. S., for New York, with a cargo of 40,000 feet of lumber. The schooner went ashore on the outside of the island in an exposed position about noon. Captain Bentley mistook the position of the Lobby Island wharf, which he thought sounded further away than it really was and was among the breakers before he realized his position. Captain Bentley, his son and daughter and the crew of four, reached the island safely in their boat and were given shelter over night. There was no means of communication with the shore except by boat, the island being ten miles out to sea. A fisherman who brought the first information tonight said the schooner probably would be saved. The Phoenix was built 25 years ago at Parrboro, N. S.
