Packers of Tiger Indo-Ceylon Teas.

Sir:—Our choice at home of Tiger Tea grade—at—c. per lb. It is true the tiny dried, whitish buds in Tiger give it that fine delicate flavor? We will drink China T. a years ago, but the Tiger Tea in 1-lb. packets, as it looks arer, and because Tiger Teas are prepared d packed by machinery instead of by the lsty, sweaty hand-treatment as in China. ne pretty blue and white label is enough o make one wish to taste a cup of Tiger ea. The tiger paws on the label show how strong the Tiger Tea is.

I am very glad to send you this letter about Tiger Tea, and if you wish I will send you a sketch of a tiger which would perhaps be fiercer than the tiger on your label. The rich cherry color of Tiger Tea pleases everyone, and I hope that you will always keep the quality of it as good as it is now. I enclose the 12 cards required, and tell you truly this is my own handwriting.

Every Canadian should buy a 1-lb. packet of Tiger Tea, for, besides the good quality we know that the work of blending, labeling, boxing, packing, etc., is all done by Canadians in St. John.

My age is . . . my last school teacher was . . .
 Hoping that this letter will win a Tiger Tea prize.
 I am, respectfully yours,
