HARTLAND

Hartland, Nov. 5.—At an early hour Sunday morning the occupants of the dwelling of Arnold Crabbe at Cloverdale were awakened from their slumbers by the crackling of fire and suffocating smoke. Mr. Crabbe and family, with his brother, Manfred, were obliged to escape through an upstairs window in their night clothes. The building was burned to the ground and nearly all the contents destroyed. The loss is estimated at \$2,700, while there was but \$800 insurance.

After nearly a year with the 15th Batt. Minto Wallace, the eighteen year old son of Charles H. Wallace of Cloverdale, has been sent home to take a six months' treatment for an affliction of the lungs. He has been recommended to go to a sanatorium and may enter a Montreal institution to fit him for a return to military duty.

Early Sunday morning death came suddenly to Mr. Clapper Tompkins of Upper Kent. He has been suffering from heart trouble for some time, but retired Saturday night, apparently as well as usual.

Roy Rigby, a Hartland man with the 14th Batt., writes an interesting letter concerning the trip overseas. Among other things he says that Corp. Frank Dickinson of this place was promoted to sergeant on the trip over and that he (Rigby) had been presented by Col. Boer with a silver wrist watch the last night at sea for the second best standing in the rifle competition at Valcartier. He speaks in high praise of the "intensive" training practised by the English agriculturists. He says "We Canadians would be richer and grow old slower if we cultivated one acre thoroughly instead of two acres in a hurry."

The Waterville Red Cross Society have just completed a successful year's work. They have sent to St. John four boxes containing useful articles, as well as shipping thirty-five Christmas stockings for the soldiers. The receipts for the year were \$132.46 and the expenses \$122.79.

The Hartland Red Cross Society have recently sent to provincial headquarters fifty Christmas stockings, forty-eight pairs socks, forty-three pillow slips, six towels, eighteen binders, twenty-three handkerchiefs, two dozen handkerchiefs, fifteen mouth wipers, three sheets, twelve dozen safety pins, fifteen hospital shirts, three grey shirts. They also sent fifty-seven Christmas stockings to the Daughters of the Empire for the soldiers in the trenches. Also they have sold and donated to Lady Tilly for the British Red Cross \$32.50, recently collected by Miss Stevens, Mrs. McPherson, Mrs. Keswick, Hartland, and Miss Lena Nixon, Lower Brighton.

Mr. George Johnston, a Hartland man, who has been in British Columbia for about ten years and became quite successful as a lumberman, was here this week renewing old acquaintances and incidentally securing a New Brunswick bride in the person of Miss Mary Turner, a school teacher of Connell. Mr. Johnston's first wife died a few years ago.

A serious fire was narrowly averted at the Sayer mill on Tuesday evening. Fire was discovered in the stable adjoining the mill boarding house just before six o'clock, but was, with some difficulty subdued before much damage was done.

Aroostook Junction, Nov. 5.—The school children at Aroostook Junction gave an entertainment last Tuesday evening in aid of the Belgian relief fund, in the large hall of the school, and although the inclement weather prevented a large attendance, the amount of \$27.00 was realized.

The children had been well trained for their parts by Miss Love, and rendered several choruses and recitations in good style. Master Clifford Kerri- gan gained much applause for his recitation, which he gave in good style, dressed in khaki. Mr. Langley gave a short address on "Belgium Before the War" and "Belgium Today," in its dire need, also two patriotic recitations.

The baskets of food provided by the ladies of Aroostook, were auctioned off by Mr. Lewis Rivers, and realized \$24.00, chocolate sale \$3.00, total \$27.00.

An effort will be made to have another entertainment on Nov. 15th, Children's Day in New Brunswick, so that Aroostook can do its little share towards helping these poor Belgians, who have so freely given their lives, liberty, possessions, and everything a nation holds dear, in defence of the edicts of the infamous "War Lord of Germany."

TITUSVILLE

Titusville, Nov. 1.—An impressive memorial service was held in the public hall, Sunday evening, Oct. 29th, for our gallant hero, Pte. Aubrey Dowdell, who was killed in action in one of the great battles in France. The hall was crowded to the door. Two large flags were beautifully draped back of the reading desk and several smaller flags were in evidence. W. E. G. Cullinford, the acting pastor for the Presbyterian church preached very appropriately from the words found in Ps. 140 and 7th verse, O God the Lord, the strength of my salvation Thou hast covered my head in the day of battle. He made feeling reference to the great sacrifice the young hero had made in giving his life for King and Country. The following hymns were rendered: "Hold the Fort," "My Faith Looks Up to Thee," "Onward Christian Soldiers," and the National Anthem. During the offering Mr. Cullinford sang very sweetly "O Safe to the Rock That is Higher Than I," the congregation joining in the chorus.

The church was decorated with flags and flowers, and two large photographs of the deceased hero were displayed during the service. The pastor, Rev. Robert Smart, delivered the address, taking as a text: "We are debtors." Rom. 8:12. The church was crowded to utmost capacity. The Dead March in Saul was played at conclusion by Mrs. Chas. MacDougal, the organist of the church.

Deceased is survived by his mother, now Mrs. Hilman, his brother and a sister. Both his mother and his brother were present at the service.

MOTHER LOVE AIDS SON IN TRENCHES

It Brings Relief to Boy Standing His Watch Deep in Mud.

Once upon a time, only a few months after this terrible world war had begun, Private Bailey, a soldier in the ranks had stood for days in the trenches "somewhere in France." The cold rains soaked him to the skin; the mud was deep, he had no rest. Weary and aching with rheumatic pains, he recalled the faith his mother had in Sloan's Liniment. He asked for it in his next letter home. A large bottle was immediately sent him and a few applications killed the pain, once more he was able to stand the severe exposure. He shared this wonderful medicine with his comrades, and they all agreed it was the greatest "reinforcement" that had ever come to their rescue. At your druggist, 25c, 50c, and \$1.00 a bottle.

Hopes Women Will Adopt This Habit As Well As Men

Glass of hot water each morning helps us look and feel clean, sweet, fresh.

Happy, bright, alert—vigorous and vivacious—a good clear skin; a natural, rosy complexion and freedom from illness are assured only by clean, healthy blood. If only every woman and likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place.

Instead of the thousands of sickly, anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nervous wrecks," "run-downs," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking, each morning before breakfast, a glass of red hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and refreshing the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance.
