

BRITISH EDITOR'S OPINION.
The Standard has just received a booklet entitled "What British Editors Say About Canada," which has just been issued by the Canadian Department of Immigration and Colonization. It contains brief comments on Canada made by members of the Imperial Press Association who visited this country last summer. The booklet has been issued mainly for circulation in the Old Country, and readers of this paper may have copies forwarded to any friends in the Old Country who are interested in Canada by sending the names and addresses to the Director of Publicity, Department of Immigration and Colonization, Ottawa. No charge is made for the booklet or for postage on it.

Benjamin Franklin, in pursuit of fortune, walked into Philadelphia carrying a loaf of bread under his arm. Times have changed. The up-to-date young man, who has faith in similar quest, wants to hire a taxi and eat to the accompaniment of a jazz band.

NEARLY CRAZY WITH ECZEMA.

No rest day or night for those who are afflicted with that terrible skin disease, eczema, or as it is often called, salt rheum.

With its unbearable burning, itching and torturing relief is gladly welcomed.

There is no remedy like Burdock Blood Bitters for giving relief to such sufferers; no remedy that has done, or can do more for those who are almost driven to distraction with the terrible tortures.

Apply it externally and it takes out the stinging, itching and burning, and promotes a healthy healing.

Take it internally and it gets at the source of the disease in the blood—for eczema is a blood disease—and drives it out of the system.

Miss L. M. Boutiller, 88 Victoria Road, Halifax, N. S., writes: "I have suffered for years from eczema. I could not rest day or night. I suffered great agony, and was nearly crazy with the itching and burning. I used all kinds of salves, but nothing seemed to help me. I saw Burdock Blood Bitters advertised, and was advised to try a bottle. I found great relief, and I really cannot recommend it highly enough for what it has done for me."

Burdock Blood Bitters has been on the market for over forty years, and during that time has been manufactured only by The T. Mitchell Co., Limited, Toronto.

Planning Celebration of Historic Events

Annapolis Royal to Have Tablets in Memory of Three Important Dates Placed.

Will you kindly permit me to acquaint the public through your columns that a triple celebration of historic events of interest and importance will take place in the old fort at Annapolis Royal on Wednesday, August 31st, 1921.

On that day tablets will be unveiled commemorating (1) the tercentenary of the Charter of Nova Scotia—1621; (2) the bicentenary of the establishment of British Civil Courts in Canada—1721, and (3) Judge Halliburton's arrival in Annapolis Royal—1821.

These tablets are to be presented to the nation, and erected in Fort Anne, now a Canadian national park, for safe keeping and as the most appropriate place to receive them.

Number one will be presented by the Premier of Nova Scotia and another speaker representing the Provincial Government; number two by the Chief Justice of Nova Scotia, the President of the Canadian Bar Association and other representatives of the Bench and Bar, and number three by the Vice President of the Historical Association of Annapolis Royal.

Following these proceedings there will be afternoon tea for invited guests, and in the evening an open meeting of the Historical Societies, at which papers will be read, and speeches made, bearing on the day's events.

The following morning, Sept. 1st, visitors will be given facilities for seeing the surrounding country and the fort and museum, and possibly there will be other attractions.

The chairman of the general committee of management is Mr. F. C. Whitman, Annapolis Royal, N. S., to whom enquiries should be addressed regarding accommodations, etc. It is expected that the occasion will, as it deserves, attract a large number of visitors. The date originally named (Aug. 5th) has been changed to Aug. 31st to suit the convenience of the Canadian Bar Association, whose president and a large deputation of members will attend the celebration.

Sinn Fein Plot Against Ulster Discovered With Plans to Kidnap Officers.

(Continued from Page 1.)

London, March 27.—A despatch to the Star from Belfast says the authorities there have obtained an inkling of a Sinn Fein plot to prevent the establishment and operation of the Ulster parliament.

"The Sinn Feiners," declared the despatch, "are determined at all costs to prevent the loyalists making the act a success. Plans had been carefully prepared to kidnap the sheriffs and officers and seize the ballot boxes on the night preceding the elections."

Landed on Coast.

Dublin, March 27.—Reports made to the authorities in connection with the capture of the large quantities of arms and ammunition found by government forces in Dublin last Friday said to have been the greatest quantity of such material so far taken, show that the arms and munitions were landed on the coast of Kerry in fish barrels a few days previously. They were sent to Sligo, partly by train and partly on motor cars, reaching Sligo Tuesday night, arriving in Dublin the next morning. The bombs and shells were packed in boxes and addressed to an English firm, well known manufacturers in Stephen's Green.

Came Too Late.

This firm, it is explained, had no knowledge of the shipment and the goods never reached it, being intercepted, according to the officials, by Sinn Fein agents and taken to the stables in Mount Joy Square, where the materials were discovered.

This large consignment of ammunition, it is declared, was intended for use in connection with a plan to ambush the crown forces on their way to relieve the guard at the Mount Joy jail Easter Monday, and if this proved successful, it was intended, the authorities declare, to attack the prison in the hope of rescuing the Sinn Fein prisoners. A well laid mine containing several hundred pounds of explosives and fuses was discovered by auxiliaries in County Kerry recently according to information from official quarters today.

Mine Under Bridge.

The mine, which was laid under a large bridge in the neighborhood of the headquarters of the auxiliary was found just in time to avert a disaster to several lorry loads of cadets. The authorities declare that great assistance to the crown forces is being rendered by the inhabitants of vari-

Fire Protection Appeal Is Issued

Unique Souvenir Issued by Dominion Parks Branch of Interior in This Connection.

A unique souvenir which makes a very striking forest protection appeal has just been issued by the Dominion Parks Branch of the Department of the Interior. It forms part of an exceptionally vigorous and novel campaign inaugurated by the Branch a few years ago with a view to educating the travelling public as to the need for greater care with regard to fire while in the National Parks. For three months each summer there is one dread which constantly haunts every superintendent, warden and official in charge of the parks and that is that a fire may break out in some part of the parks and, helped by favourable circumstances, get beyond control, wiping out miles of forests. Investigations carried on by departmental officials over a number of years show that the large majority of fires are man-caused. A half burnt match tossed out of a car window or along the trails, the ashes of an improperly extinguished camp fire, under favorable conditions, are enough to start the mischief.

Indian Charm.

The souvenir now being issued takes the form of a charm or fétich such as was formerly carried by the Indians of the West to insure personal good fortune and to ward off harm and disease. It is a small aluminum coin bearing the figure of the buffalo which was believed to be the strongest "medicine" of all the animals. Since the buffalo was sacred to the Indians and supposed to transfer "sun power" to those whom he took under his protection. The coin is enclosed in an attractive envelope, facsimile of an Indian pouch in which such charms were usually carried. The original of this pouch is in the Government Museum at Banff. The charm is accompanied by a small leaflet telling the Indian legend and making a forest protection appeal.

Some localities who have begun to come forward in large numbers to denounce attempts by Sinn Feiners in the neighborhood to commit outrages. Several ambushes have already been frustrated in this way, it is stated.

Note—Only one entry blank will be accepted for any one candidate.

A magnificent, new, five-passenger Maxwell Touring Car with a value of \$1400 will be given away as a special prize in The Standard's contest to the contestant who turns in the greatest amount of subscription money during a three-week period beginning today and ending Monday, April 11th at 6 p.m.

This is the last special prize of the Contest. The Maxwell auto was purchased from and is on exhibition at The Palace Garage, Prince St. (Agency for the Maxwell).

Now contestants may enroll and compete for the special prize Maxwell only if they wish. All contestants start with a "clean slate" for the special prize Maxwell. Work done previously in the contest does not count on the Maxwell therefore new contestants or those low in the list have an equal chance to win it, with those topping the published list.

All votes secured while working for the Maxwell will count towards the regular prizes, consisting of the Studebaker, the Gray-Dart, the Regular prize Pool, the Movie Star Contracts and the other regular prizes.

\$1,000 REWARD

will be given, at any time during the remainder of The Standard's big prize contest, a better vote offer than the Quadruple Vote offer is given. This is conclusive evidence, therefore, that the best offer of the contest is now in vogue. Get busy, Contestants, and make every minute count this week, while this quadruple vote offer is on. The Maxwell auto offer is also the last extra prize offer of the contest. You have a double incentive this week for getting such your best efforts.

THE QUADRUPLE VOTE OFFER

To aid the contestants in getting an early start for the special prize Maxwell offer, four times the regular number of votes will be given on all subscriptions turned in this week, as follows:—

Length of Subscription:

6 months	22,000 votes
1 year	44,000 votes
2 years	88,000 votes
3 years	132,000 votes
4 years	176,000 votes
5 years	220,000 votes

Four times the regular number of votes will also be given on second payment subscriptions.

Four times the regular number of votes will also be given on the 10,000 extra votes given for NEW business.

SECOND PAYMENT SUBSCRIPTIONS

If you have worked your territory thoroughly, and do not know where to obtain subscriptions, why not call on the surrounding towns, or see the farmers in the rural districts? Or if you are not in a position to get out of your town, why not try to get second payments from the subscribers who have given you short term subscriptions? You can gain many votes this way. For instance: Suppose Mr. A. gave you a six-months' subscription, the first week of the Contest when the first vote schedule was in force. You received 8,000 votes for this six-months' subscription. Now if you can get Mr. A. to give you another six months which would make up a full year's subscription you will receive enough additional votes for the second payment of six months to balance up the votes for a full year during the period when the first payment was made, or 24,000 votes. If this six months of Mr. A's was a new subscription, you would receive 10,000 votes in addition to the 24,000. During the Quadruple Vote offer 4 times 24,000 votes, or 96,000 votes would be given on this second payment. Or suppose Mr. A. gave you one year's subscription between the dates of Jan. 31st and Feb. 15th you received 20,000 votes if it was an old subscription. Now if he gives you another four years to make up the full five years, you will receive the difference between 20,000 votes which was given for a five-year subscription between Jan. 31st and Feb. 15th, and the 20,000 votes you have already received, or 240,000. During the quadruple vote offer 4 times 240,000 votes would be given on this second payment, or 960,000 votes. In figuring up the votes for the second payment compute them on the schedule in force when you turned the first payment into the Contest office.

During the Quadruple vote offer, four times the regular amount of votes are allowed for second payment subscriptions. Multiply the regular number of votes allowed on your second payments by four.

NOTE:—Subscriptions of this kind are to be marked "Second Payment" on the receipt stub, and on the back of the stub you must write the date when you turned in the first payment, the amount of cash paid for the first payment, and whether the first payment was new or old; also give the receipt number of the first payment.
