Lawson's Rheumatic Liniment.

THIS invaluable Liniment has the extraordinary property of affording immediate relief in all cases of Rheumatic and other pains, and suffering from Felons, Salt Rheum, &c., and a faithful trial will result in permanent cure.

The following are a few TESTIMONIALS proving the great efficacy of this Liniment:—

ST. JOHN, N. B., June 2nd, 1873.

Mr. A. Lawson: Dear Sir,—I have used your Liniment with a good deal of benefit, and feel pleasure in recommending it to others for the use for which it is intended. Yours, &c.,
REV. J. PRINCE.

ST. JOHN, June 4, 1873.

To Abiel Lawson, Esq.: Dear Sir,—I have been much troubled with Rheumatism, and could get no relief till I procured a bottle of your Liniment. A few applications made a perfect cure. I take much pleasure in recommending it to those similarly afflicted. CEO. M. BUSTIN.

Mr. A. Lawson: Dear Sir,—It affords me great pleasure to state that your Liniment was the means of curing a severe attack of rheumatism, two or three applications having removed the soreness completely. I am therefore enabled to speak highly of its merits. Yours truly,
LEVI H. YOUNG.

Having proved the efficacy of your medicine while suffering from Bronchitis, in April last, I am only too glad to append my sincere appreciation of your Liniment as a family medicine.
Yours, &c., ROBERT J. ANDREWS.
June 6, '73.

Abiel Lawson, Esq.: Dear Sir,—For a number of months I had been much troubled with Rheumatism, and tried many of the cures recommended, but could find no relief, till I got a bottle of your Liniment. A few applications have made a perfect cure. SAMUEL NEAVES.

ST. JOHN, N. B., June 2d, 1873.

For some time I have had Ague in the face, and could get no relief until I used Lawson's Rheumatic Liniment, which made a perfect cure. I would not be without it. T. H. CROSBY.

Dear Sir,—I have for years suffered with periodical Neuralgia, and have tried nearly all of the remedies in use for this disease but without any lasting effect. About three months since I tried your Liniment, gaining immediate relief; and I am rejoiced to say that I have not since felt the touch of my old complaint. Your medicine deserves its success, and for general purposes I use no other, believing it the best in existence.
Yours truly, JOHN F. LAWSON.
St. John, N. B., June 6, 1873.

ST. JOHN, N. B., June 6th, 1873.

Mr. Abiel Lawson: Sir,—In May, 1872, I was so severely afflicted with acute Rheumatism as to be unable to use my right leg. Being advised to use your Liniment, I procured a bottle, and made one application, which had the effect of removing all pain and soreness in one night. I have not since been troubled with Rheumatism, and I consider your medicine superior to anything extant for cases of this kind.
Truly yours. GEO. R. RIGBY.

N. B.—I had previously used three or four different kinds of Liniment, neither of which gave any relief. G. R. R.

ST. JOHN, N. B., June 9th, 1874.

Mr. Abiel Lawson: Dear Sir,—Having just recovered from a most severe attack of Rheumatism, (from which I suffered for four weeks), I feel bound to testify to the very gratifying effect of your Liniment, which has had the effect of removing the distress altogether. I may, therefore, say, that I fully believe your mixture the best remedy in use for similar cases.
I am, dear Sir, yours, very truly.
JAMES SWEENY.

ST. JOHN, N. B., June 9, '73.

Mr. A. Lawson: Sir,—Having experienced much distress from a strain which I received some time ago, I procured a bottle of your Liniment. I made four or five applications, which have entirely removed the soreness. My breast is now entirely well. Yours truly,
MOSES BELYEA.

Your Liniment has proved of great benefit to me, when applied for Rheumatism, and always gives satisfaction. FRANCIS QUIGLEY.

Abiel Lawson, Esq.: Dear Sir,—Having been troubled for some time Rheumatism, I was advised to try your Liniment. I soon found it to be all it was recommended. I advise all who are troubled in this way to try your Liniment.
Yours truly, THOS. TRUEMAN.

To A. Lawson: This certifies that I have used Lawson's Liniment for different purposes, and consider it the best article in use of the kind, and can cheerfully recommend it to the public

A BACHELOR'S CONSOLATION.

A Romance of the Needle.

BY ROCKAFELLOW.

I.

In a snug little cot, not a thousand miles off,
Lived a lonely, contented old "bach,"
Who cooked his own grub and dined by himself,
And had no one to sew on a patch.

II.

With his cat, and his dog, and his little pet mouse,
Our hero, 'twas said, wanted nothing;
But needles were sharp, and would frequently stick,
So he oft went with holes in his clothing.

III

There no doubt were misses and maids quite near
Who would fly to relieve his distresses,
But he oft had declared he could never abide
The appearance of hoopskirts and dresses.]

IV.

Now, this lucky old bachelor heard by a friend,
Or read in his morning journal,
Of the wonderful stitching of sewing machines,
And considered the matter nocturnal.

V.

Having fully determined to get a machine,
He spent a whole day in inspection,
For an hour or so would never suffice
To select from so large a collection.

VI.

For some thought the "Wheeler & Wilson" the best,
And others the "Wilcox & Gibbs,"
While others affirmed that the agents of both
Were too much inclined to tell fibs.

VII.

And a few for the "Florence" were ready to fight,
While most liked the "New Family Singer;"
Another one swore the "Osborne" was best,
The last one, I think, was a *shaker*.

VIII.

So first to the "Wheeler & Wilson" he went,
Where he found them making a shirt,
At the end of each seam they used needle and thread,
And by experience he knew they would hurt.

IX.

Then down to the agent of "Florence" he went,
And told him the part that was slack,
So the "Florence" a certain advantage had gained
By the feed that could make it sew back.

X.

But our Bachelor friend was dissatisfied still,
For the "Florence" so complicate seemed,
He feared the minutia might "get out of fix,"
And could never be wholly redeemed.

XI.

Then they told him another advantage they had
Over other machines in the West,
That *four different* stitches with it they could make,
And from *four* he might sure get the *best*.

XII.

Our hero replied, "What's the use of the *four!*
If one of the stitches is *best*,
Why *that* is the right one to use *all the time*,
And what will you do with the rest?" [ill

XII.

The "Howe" and the "Wilson" both vainly he tried,
The "Domestic" and "Osborne" as well,
But the "Howe" was too heavy, the "Wilson" too light,
And the "Osborne" broke down on a fell.

XIV.

The "Finkle & Lyon" or "Victor" he tried,
The "Ætna," "Elees," "Leavitt" and "Weed,"
Till worried and vexed with his fruitless research,
He scarce hoped in the end to succeed.

XV.

After trying in vain many other Machines,
Without any hope of success,
He called where the "Singer New Family" was kept,
And they quickly relieved his distress.

XVI.

For here half a dozen machines were engaged
In stitching of different sorts,
Which they did so complete, and with so little noise
He acknowledged the truth of reports.]

XVII.

In lightness of running, in stillness and speed,
In construction so simple, yet strong,
Sure none but the "New Family Singer" would vie,
Though he'd searched through the infinite throng.

XVIII.

Then the stitch was so neat, so elastic, so strong
That he vainly endeavored to break it,
And so many advantages in it combined
That he quickly decided to take it.

Election Cards.

To the Electors and Citizens of the City of Saint John:

GENTLEMEN,—

Confirming my Circular recently issued and published in the Press of Saint John, I beg to assure you that, if elected, I will not fail to do what I can for the interests of this City and Province.

I have always favored *a Free School system*, but sincerely regret that a measure which should have been such as to have been received with almost universal satisfaction and approval has deeply disturbed the country, created much ill feeling, and now threatens to embroil the Government of the Province with the Dominion Parliament. This is a very serious condition of things and *it is evident that something will have to be done to remedy it*. I think certain improvements and modifications might be made in the Bill which, while doing no wrong to Protestants, would lead Catholics to accept it without further opposition. BUT FREE SCHOOL BILL IN ITS PRESENT SHAPE IS TOO EXPENSIVE. *All that we can afford to give children, all that is required under the circumstances is what is commonly called a plain English education, such as will fit them for the ordinary avocations of life.* THIS SHOULD BE HAD FOR ABOUT TWO THIRDS OF WHAT WE ARE NOW PAYING, *and at the same time maintain the principle of Free Schools.*

Soliciting your vote as one of the two Candidates of your choice for the representation of this City

I have the honor to remain
Your obedient Servant,
ROBERT MARSHALL.
may21—till june 5

To the Electors of the City and County of St. John.

GENTLEMEN:—

You will soon be called on to elect four gentlemen to represent your interests in the Local Legislature of New Brunswick,

At the election I will be a Candidate for your suffrages in opposition to the general policy and action of the Local Government, both in regard to the present School Law and their administration of the general affairs of the Province.

If you should favor me with a majority of your votes, I will feel much obliged, and promise to use my best efforts in furthering every movement that I consider fair and right for the advancement of your general interests.

Yours, respectfully,
may 27 CHRISTOPHER ARMSTRONG.

To the Electors of King's County

GENTLEMEN;

The General Assembly having been dissolved you will shortly be called to elect representatives to serve you for another term in the Legislature.

The Convention which was lately held in this County to elect a Ticket favorable to the maintenance of a system of Free-non-sectarian Education, have chosen me as one of the Candidates. I have accepted the nomination and confidently rely upon the Ticket so selected, receiving your hearty approval.

Should I have the honor of being re-elected, I shall again, as I have constantly done in the past, strive to perform satisfactorily the duties devolving upon your Representative.

Respectfully soliciting your support,
I remain,
Yours very truly,
J. H. CRAWFORD.
Hampton, King's County, May 20th, 1874.
(may 22 dif w t elec)

To the Electors of the City and County of Saint John.

GENTLEMEN:—

AT the Election to be held on the fourth of June next, I shall seek a renewal of your confidence, as one of the four Representatives for the City and County, in the General Assembly of this Province.

The Executive Government of this Province have not managed the public business in such manner as to command my support, although I have assisted all good measures, from whatever quarter. In the performance of my Legislative duties, I never hoped or attempted to please everybody; but I confidently state such duties were performed, to my judgment, in the best interests of the Country, and at all times disinterestedly and fearlessly. As it will be out of my power to see all the Electors personally, I respectfully solicit your support, as one who does not seek politics for his own benefit, but from a common interest in a wise and economical administration of public affairs.

I am, Gentlemen,
Your obedient servant.

VINEGAR BITTERS

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

NORTON, King's County, Dec 14, '72.

MRS. LESTER—Dear Madam, I have been troubled for the last fifteen years with Biliousness, and have tried many of the different kinds of medicines recommended for the cure of the above complaint, but received no material benefit until I commenced using your DINNEE PILLS, (now about eight months since.) I continued their use according to directions for about three months, and must say that I have enjoyed better health since taking the Pills than I have for the last fifteen years, and would recommend them, with all confidence, to any person similarly troubled.

I am, Madam,
Yours, very thankfully,
HENRY HANEY.
