ANTIBILIOUS AND CATHARTIC,
SUGAR - COATED,
FOR

Liver Complaints, Gout, Jaundice,

DYSPEPSIA, RHEUMATISM,

AFFECTIONS OF THE BLADDER AND KIDNEYS,

FEVERS, NERVOUSNESS, ERYSIPELAS,

DISEASES OF THE SKIN, IMPURITY OF THE BLOOD,

INFLAMMATION, MELANCHOLY,

Sick Headache, Costiveness,

PAINS IN THE HEAD, BREAST, SIDE, BACK AND LIMBS,

BILIOUS AFFECTIONS, FEMALE DISEASES, &c.

There is scarcely any disease in which Purgatives and Medicines are not more or less required, and much sickness and suffering might be prevented were they more generally used. No person can feel well while a costive habit of body prevails; besides, it soon generates serious and often fatal diseases, which might have been avoided by a timely and judicious use of proper Cathartic Medicines.

The Proprietors can recommend Hagyard's Pills with the utmost confidence, believing them far superior to those in general use; being more mild, prompt, safe, and uniform in their operation.

THEY ACT DIRECTLY ON THE BLOOD, AND ARE MILD IN THEIR OPERATION.

Age will not impair them, as they are so combined as always to dissolve in the stomach.

In small doses they are alterative, and gently laxative; but in large doses they are actively cathartic, cleansing the whole alimentary canal from all putrid, irritating and fecal matters, and producing healthy secretions of the stomach, liver, and the various other organs of the body.

KISSING.

Let me kiss you for your mother,
For your sister, cousin, aunt,
Or for somebody or other,
Whom I long to kiss, but can't.

I could wish my love beside me,
As I've you beside me now;
But the pleasure is denied me,
So I'll kiss you anyhow!

Life is made up, not of great sacrifices or duties, but of little things, in which smiles, and kindness, and small obligations, given habitually, are what win and preserve the heart and secure comfort.

Hagyard's Pectoral Balsam is recommended by all who have used it.
