 Cattle buyers have been scouring the country buying up all the stockers at good long prices. In fact this class of cattle are selling at present much higher than those of a useful type, and in some cases nearly, if not quite up to the price of good finished beef cattle. One farmer sold seven head of two-year-olds for \$92 each and \$90 is the ordinary price for good stockers in the district.
 The postal authorities find it necessary to again remind the public that in mailing parcels for soldiers overseas, the customs declaration must contain "List of articles contained in the parcel. It is not sufficient to merely state "Soldiers' Comforts," "Foodstuffs," "Eats," etc. Each article must be specified. The sharp corners of tin boxes should also be rounded flat with a hammer before mailing.
 Malcolm Campbell, township clerk of Southwold for thirty-three years, died at his home in Fingal Friday morning. A fractured hip, sustained by a fall a month ago, hastened his death. He was eighty-nine years of age, and had lived in Southwold all his life, his father, John Campbell, being one of the original settlers in the Talbot Settlement. His wife, to whom he was married sixty-eight years ago, survives, with four sons and two daughters.
 Sometimes, but not often, a man is very ungrateful for attempts to save his life. A farmer near St. Thomas was driving along the road with a load of hay when it upset. He went away to get a couple of men to help him rebuild his load. In his absence others came along, and not seeing the driver, concluded he was under the load and scattered the hay in all directions to find him. He returned, and when he viewed the scene and what had been done to his hay, the things he said were easy to hear although difficult to listen to.

More Good Wells.
 Two more good oil producers were opened up in the Glencoe field this week, one by the Carman interests on the farm of Archy McVicar, north half lot 7 in the 5th concession, and one by Mr. Harvey on Archy McLachlan's farm, south half lot 4 in the sixth concession.
 More drilling rigs were brought in during the week, and piping and storage tanks are going into the field almost daily. The pipe line to North Glencoe station is nearly completed.
 Increased activity is noticed in the field as more prospectors arrive.

Damage by Frost.
 Reports from various parts of Western Ontario indicate that damage that will run into many thousands of dollars was done by the frost on Tuesday morning. Corn, beans and tomatoes seem to have suffered the most and in many sections were hit hard. In some districts considerable harm was done to the tobacco plants.
 Similar reports come from the State of Michigan.

Life Memberships at Tait's Corners
 During the afternoon of Tuesday, Sept. 4th, a pleasant time was spent at a meeting of Tait's Corners Presbyterian Missionary society, held in the church. The leading part was the presentation of life memberships to two of the most faithful members, Mrs. James Lethbridge and Miss Effie McEachren. The meeting was ably led by Mrs. Coulthard, who read an address, the presentation being made by Mrs. Tait and Mrs. Trestain. The church was decorated with flowers. Lunch was served.

Writes From France.
 Wm. Newport has received a letter from his son Allan, written in France August 6, from which we extract:—I am well and the weather is good. The people here are in the midst of harvesting. Everybody, nearly, cuts their grain with a cradle and bind by hand. Women do the work chiefly, as the men are away. Crops are fairly good. You will see in the papers that the Canadian troops are on Vimy Ridge. The trenches are in the outskirts of the city of Lens. Fritz holds the city. All cellars and houses are barricaded. The place is nearly all knocked down. I have never been in Paris. They are giving some leave to Paris now. Passes seem to come around about every 12 or 14 months.
 I have seen British, French, Portuguese, Russian, Black and Chinese troops in this country. The French have large bodies of Chinese to work. I don't see any signs of the war quitting this year. We are the strongest, but the other fellow is on the defensive.
 I saw one of the Leitch boys one day. He lived north of Glencoe somewhere and went to high school about the same time as I did.
 We are up at 6 a. m. and then feed and water and groom the horses. Some of the horses are out every day, as rations for the battalions have to be got from the dump daily. If we are billeted in a village one team out of a battalion has to be furnished to pick up refuse. We sometimes haul material for the roads, or material for engineers up the line, such as barb wire, stakes, etc.

Do You Knit Socks For the Soldiers?

If you do you will surely approve of our celebrated **Homespun**, absolutely pure long wool, at \$1.45 per lb.

Cooler weather in France undoubtedly means "Socks, more socks." It is very important that this call be heeded, that our soldiers may have a sufficient supply of warm, dry socks to make their trying life more comfortable.

Members of various clubs and Red Cross organizations who consider knitting part of their program, or women and girls who knit for their own particular soldiers, will be interested in this "Homespun" for the making of soft, warm and durable socks. It comes in three sizes—fine, medium or coarse, as the buyer prefers. Natural sheep's grey—absolutely no dye to injure a wound.

We also stocked heavily the other grades of Scotch Fingering for those who like this make best. On either yarn our prices are below those of any catalogue house or from any other source we have yet heard of.

Besides, we supply Red Cross societies at any time in any quantities they want it. They can get right to work knitting now and can pay for yarn later on, when money has been collected. Secretaries of societies may have samples and price quotations on different yarns by phoning or sending a postal card.

There will be no disappointment but rather most favorable replies from the boys wearing socks made from our celebrated yarns. Get busy right now. Pure wool yarn will likely be out of the question at no late date. Make closest comparison and see the advantage our stocks of pure yarns offer.

Watt-Hull
 The marriage took place quietly on Monday afternoon of Miss Wilhelmina Hull, youngest daughter of Mr. and Mrs. J. E. Hull, of Glencoe, Ont., to Arthur L. Watt, son of Mr. and Mrs. D. Watt, of Port Hope, Ont., and cashed at the local branch of the Royal Bank. The wedding took place at the home of the bride's brother, Gordon Hull, in presence of members of the family only, and was performed by Rev. F. H. Adams. The bride, who was given away by her brother, was attended by Mrs. G. Hull as matron of honor, while Lorne Sutherland acted as best man. While the bride has been a resident of Peace River but a few weeks, she has made a large number of friends, who together with the wide circle of friends made by the groom during his two years' service with the bank here will extend most sincere good wishes in which The Record joins.—Peace River Record.

Lord-Donnelly.
 London, Sept. 6.—A very pretty wedding took place yesterday when Miss Nora Donnelly, daughter of Mrs. Nora Donnelly, of this city, and Sergt. Charles Lord, of the Western Ontario Reserves, were united in the holy bonds of matrimony by Rev. Father McKewen. A number of friends of Miss Donnelly were present and the presence of several military officers testified to the popularity of the groom. The bride was becomingly attired in a burgundy suit and a black silk beaver hat and wore a beautiful pearl necklace with earrings to match, the gift of the groom. Among the many presents were a number of fine pieces of silver. Mr. and Mrs. Lord left on the 10 o'clock train for points east and on their return will reside in this city. Sergt. Lord expects to go overseas shortly.

Death of Mrs. Timothy Kelley.
 Newbury, Sept. 11.—The death occurred at her son's home on lot 10, con. 1, Mosa township, on Wednesday, Sept. 5th, of Mrs. Timothy Kelley, a well-known and respected neighbor and kind mother, after a lengthy illness. She lived on the farm where she died 37 years, and made many friends. I being as good and obliging a neighbor as one could wish to find. She had many relatives, most of whom were at the funeral to pay their last respects, glad to know that she was "safe in the arms of Jesus," passing from this world of sorrow to the better land of peace and rest.
 Mrs. Kelley was 60 years of age and leaves to mourn her loss one son and three daughters—Lorenzo, on the homestead; Mrs. C. Blain and Mrs. W. Degraw, Newbury, and Mrs. H. Fisher, con. 2, Mosa—besides William Kelley of Newbury, a cousin whom they raised. There are also eleven grandsons and three granddaughters. She leaves four sisters and two brothers—Mrs. John Harder and Mrs. Wm. Timin of Winton, Mich.; Mrs. John McIntyre of Rodney, Samuel Colley and Mrs. Colley of Aldborough and Mrs. Wm. Hathaway of West Lorne. Her husband passed away two years ago the 3rd of May.
 The funeral took place on Friday afternoon, to Simpson's cemetery, service being held at the house, conducted by Rev. Mr. Irwin of Glencoe. The pallbearers were A. Gardiner, D. McCullum, P. Gardiner, J. Craig, E. Hurdle, E. Reycraft, J. B. Jones and W. Hagerly. The flowers were beautiful and included a wreath from the family, spray and wreath from Mr. Chittim's family of Walkerville, and spray and wreath from friends and neighbors.
