"Our sale runs to October 2nd"

Some day, some how, you know you want to take the plunge. Our advice? Don't do it alone. Do it with financing. Right now with *CARDplus*SM financing, buy a specially priced Apple[®] computer bundle, and there are no payments and no interest until February 1995.* But if you want to cash in on this deal, you've got to hustle — because on October 2nd, it's history. Philosophically speaking.
