

# meanwhile back at the ranch...

*Maybe he'll run back in all by 'imself...*

*Nope,  
gonna  
havet'  
sneak  
up  
on  
'im*

*Head 'im off!*

While many of his fellow officers were manning roadblocks and performing other duties during the chlorine gas scare, this Peel Regional policeman had to take care of some other business. When a cow broke loose from a farm just north of the train derailment, a little roundup was in order.

*The  
one  
that  
got  
away*
