On behalf of all the members of the Mississauga Real Estate Board, I am pleased to take this opportunity of wishing everyone the compliments of the holiday season.

This is a time to pause and reflect on our good fortune as citizens of a united Canada with its bounteous resources, and as residents of Mississauga we are particularly fortunate to live in such an exciting, vibrant city.

The Mississauga Real Estate Board is proud to have played an active role in the city's development and its activities during the past year.

Good wishes to all for the coming year!
