Reseneath May 22nd 1894

Sir,-

I enclose herewith a resolution passed by the Rice Lake Indians in General Council on the 17th instant asking the Department to pay the sum of \$40.00 from the funds of their band being balance due on their Church organ.

The organ is all paid except the above mentioned amount by soirees etc. and the Indians state that many of them at the present time are not able to cook for another entertainment and as the balance is due they thought the better way was to pay the same from the funds of the band.

Yours Respectfully
