Betty Sharp has been out to see me
 once or twice and I had the pleasure
 of Ann Bernards Company ones Sunday
 He was very sick while here. He
 is troubled with some in the kidney
 and will likely have to undergo an
 operation. However I kept the hot
 water bag applied and sent him
 away on Monday feeling pretty
 good. Have not heard of him since
 He is a funny Annie and I guess he
 is having a hard fight like myself.
 If I can make the case of sufficient
 funds I am going to try and get away
 from here for part of the winter
 Mrs Staples writes she is keeping about
 the same. The rest of the family are quite
 well. I suppose you will soon be
 preparing for the coming session which
 is drawing near. Hoping everything
 is going well with you and yours
 Yours sincerely
 W. D. Staples
