

damage to buildings and improved lands, will be paid by the Department to each individual owner; and in order to facilitate this, they should append a statement, showing all damage to improved land and buildings and the amounts to be paid out of the total amount offered as compensation to each individual owner, as compensation for damages to the said improved lands and buildings.

I have also to request that you will inform Mr Agent Mackay that the C. P. Railway Co only offers \$2⁰⁰ per acre for the land through the Montserrat Indian reserve which he has valued at \$15⁰⁰ per acre, and ask him to state if, in making his valuation, he had regard to the provisions of section 153 of the Railway Act which provides that, in deciding on the value of lands taken
