On 24 Sept I went with Sgt Robinson to St Helier Police where we found RAF Vehicle 154930. As we approached the vehicle the accused walked away from it. He walked across the road. We walked up behind him & asked him if he had been driving the jeep. He said yes. After being cautioned, the accused said he had driven an officer into Gt Heaton as he had thought that was his route. Sgt Robinson put him under close arrest & ordered him to get into the jeep. On the way back in the jeep, the accused jumped up & almost knocked me out of the jeep. I grabbed my hand & forced it against an upright of the jeep.
