Many Old Farms require so much fertilizing that farms and gardens won't produce a profit. The rich, loamy soil of Michigan Farms produces a fine crop without this expense. The near markets, general healthfulness of climate and freedom from cyclones, blizzards, together with good society, churches, etc., make Michigan Farms the best in the world. Write to me and I will tell you how to get the best farms on long time; low rate of interest. **O. M. BARNES, Land Commissioner, Lansing, Mich.** 347-l-o
