

A Q U I Z

Who is paying the bills?
Are you? If not, why aren't you?
Are this year's expenses clear?
How about next year?
How will you spend vacation?
Are you willing to work?
Can you earn \$3 to \$5 a day?
Would you "hire out" at that money?
Have you a cent's worth of interest in these matters?
If so, why not address a card to
