SUBSCRIBER—**

**Have YOU Mailed Your Renewal?**

Attention will be doubly valued at this transition time.

As our records are checked credit will be given subscribers.

**INCREASED POSTAGE AND SUBSCRIPTION TERMS**

Though we are facing a second substantial increase of postal rates and arrangements for improved printing service, the REGULAR subscription price of the B. C. M. will remain \$1.75 for one year, and \$3 for two years.

Subscribers who value the work of this Magazine are HEREBY INVITED TO DEMONSTRATE THAT PRACTICALLY, if possible on receipt of this issue, by mailing their RENEWALS for one or two years.

Present subscribers who choose to pay TWO YEARS IN ADVANCE (\$3), may get the benefit of the "Get-Acquainted" Campaign rate of \$1 by being credited with a THIRD YEAR for \$1 extra—or THREE YEARS in all for \$4.

As we are to resume our "Get-Acquainted" Campaign, so that no B. C. HOME (worthy the name) shall be ignorant of the B. C. M. and its work, present subscribers may have twelve issues sent to any of their friends for \$1.
