

Another Successful Year Closed

June 30th brought to a close **THE MOST SUCCESSFUL YEAR** the Farmers' Company has ever had. Never was there a year when the Farmers' Company was so strongly opposed by the elevator and allied interests, and never was there a year when its business was half so large.

What is the Reason?

Why, because our farmers realized that if they did not support their own Company they would be **BACK WHERE THEY WERE FOUR YEARS AGO**, with **LOW PRICES, EXCESSIVE DOCKAGE, POOR WEIGHTS**, and a host of other troubles.

Grain Growers

work hard for your Company. Get your neighbors interested. Get them to ship their grain and take stock in the Company. If you require further information to help you, **WRITE us for BOOKLETS.**

GRAIN DEPARTMENT, GRAIN GROWERS' GRAIN CO., WINNIPEG—ONE OF THE LARGEST GRAIN OFFICES IN CANADA

Through this office the past season the Western farmers have marketed over 16,000,000 bushels of their grain, and exported 6,000,000 bushels directly to the hands of the consumer. This is the only way the farmer can hope to get the full value of his grain.
