HAMBURG, Oct. 11 .- Empror Wiliam yesterday ordered from Max Dertz, the well-known yacht builder of this city, a new schooner to re-place his present yacht Meteor, and her success will have an important bearing on the question whether Germany will challenge for the Am-

Oertz.

The new schooner for the emperor is to be built at the Krupp works at Kiel, and probably will have less water line than her predecessor which was forced to concede heavy time allowances to her competitors.

The emperor has the fullest confidence in the ability of Max Oertz, and ordered the new boat without waiting for the launching of the new yacht under construction by Herreshoff for Robert E. Tod, of the New York Yacht Club.
