Walter Maughan Fills New Post
 Made Necessary by Growth
 of the Canadian Pacific
 Steamship Business

Walter Maughan, newly appointed Steamship Passenger Manager of the Canadian Pacific Railway.

THE appointment of Mr. Walter Maughan as Steamship Passenger Manager of the Canadian Pacific Railway has been officially announced at the Company's headquarters. The appointment includes the management of the Company's passenger business on both the Atlantic and Pacific Oceans. Mr. Maughan was born in Toronto in 1876, and joined the Canadian Pacific forces in 1892. In 1897 he was made City Passenger Agent at Toronto, and in 1913 District Passenger Agent. In the same year he was moved to Montreal as Assistant General Passenger Agent, and in December, 1922, became Assistant to the General Passenger Traffic Manager. He has risen to his present high position by outstanding ability as well as by long service.

During the war Mr. Maughan did valuable work as Chairman of the Demobilization Committee of the Canadian Railway War Board representing the Minister of Militia, and was made a Lieutenant-Colonel in recognition of his work in transporting troops from Canada and China to France.

Mr. Maughan's appointment results from recent remarkable growth of the Canadian Pacific Steamship fleets on both oceans, and those especially equipped for West Indies, Mediterranean and around the world cruises that are planned.

At present in regular service on the Atlantic Ocean between St. John, N.B. (winter season) and Montreal and Quebec (summer season) and Southampton, Liverpool, Belfast, Glasgow, Cherbourg, Antwerp, and Hamburg the Canadian Pacific have eighteen passenger steamships with an aggregate displacement tonnage of 360,800 tons. During the coming summer season the Company will have 100 passenger steamship sailings from Montreal and Quebec. These exclusive of the fleet of freight steamships.

In the Oriental trade four of the largest and fastest ships on the Pacific Ocean operate between Vancouver and Victoria and Japan and China.

In the year 1924 the Canadian Pacific will operate their own cruises to the West Indies, Mediterranean, Egypt, the Holy Land, and also around the world. Three of their finest oil burning ships have been allotted to these services.

One result of these cruises is that the great Canadian Company not only bridges two oceans and links four continents but actually encircles the globe with its own ships and railways without being dependent on any other transportation agencies.
