# FERTILIZER

Order Early Ship Early

Whatever may be the conditions as to general business due to the ending of the war, there is nothing unsettled as to the farmer and his supply of Fertilizer.

Twenty million tons of food must be shipped to Europe this year, and the Maritime Provinces must do their share. The spring will not wait to see how things are going to turn out, but the planting must be done or there will be no harvest.

There is today probably not more than half the fertilizer in Canada her crops require. The last three years has seen a great shortage, with every ton sold before the planting season began. There are no indications this season will be an exception.

### A PRETTY HOME WEDDING.

The many friends of Mrs. Andrew Murray, Arthur St., Truro, were in a state of pleasant excitement when her daughter Jennie Geggie Murray was united in marriage on the 16th inst. to Henry Arthur Laird of the Tariff Department of the Canadian National Railways of Moncton, N. B.

The impressive ceremony of the Presbyterian Church was performed by the Rev. E. H. Ramsay of the First Church, New Glasgow.

The ceremony took place in the parlor of the home residence, which was beautifully decorated by friends of the bride with smilax and cut flowers.

The bride dressed in a gown of cream satin with trimmings of crepe de chene, looked charming as she entered the parlor on the arm of the bridegroom.

The hum of happy voices, the strains of wedding music as performed by Mrs. Wm. McRae of New Glasgow and the congratulations of friends of the couple, mingled in joyous harmony.

The wedding luncheon was served by young lady friends of the bride resplendent with handsome gowns and youthful loveliness making a very attractive setting to the whole function.

The toast to the bride was proposed by Dr. Kennedy of New Glasgow in a few well chosen words and suitably responded to by the groom.

The presents were numerous and valuable testifying to the popularity of the bride. Among the guests from a distance were Dr. E. Kennedy, Mrs. Wm. McRae, Mrs. Wm. Logan, Mrs. Baxter McDougall, the Misses Margaret and Julia Cameron, all of New Glasgow.

Mr. and Mrs. Laird left on the Ocean Limited for Halifax and expect to reside in Toronto.

### HYMENEAL

PERRY—THOMAS

The Baptist Church was thronged with people at 10 a. m. yesterday on the occasion of the marriage of Miss Ida Estelle Victoria Thomas, daughter of the Rev. W. B. Thomas, who during the past year or more has been ministering to the colored congregation at Lequille, and Rev. William Constantine Perry, pastor of the Zion Baptist Church in Truro. The centre of the church was reserved for guests and Rev. G. D. Hudson performed the ceremony. The bride, attired in white satin, with veil and orange blossoms, entered the church on the arm of her father, preceded by little Miss Mary Jackson, daughter of John Jackson of Lequille, also attired in white and bearing two rings on a silver salver the double ring service being used. The couple were otherwise unattended. The platform was tastefully adorned with potted plants and a handsome pink and white bouquet was carried by the bride, while the organ pealed forth Lohengrin's Wedding March. The brief but impressive ritual of the Baptist ceremony united the happy couple who on their exit from the church were given an ovation of good wishes, the bride having become very popular during her stay here which has been principally her home since the Halifax explosion. Many friends also assembled at the railway station to wish them well when they took train at 1.07 amid copious showers of confetti, for their future home in Truro.—The Spectator, Annapolis Royal, Jan. 17.

The Spectator also says: "Mr. and Mrs. Oscar Clyde and Mrs. Bessie Albertha Paris, of Truro, were special guests at the Thomas Perry wedding yesterday."

(Mr. and Mrs. Perry arrived in Truro on Wednesday night.)

### WELCOME HOME BOYS

The good ship Olympic landed in Halifax on the 17 over 5000 Canadians, who had honored Canada and done credit to themselves at the War front.

Among these returning heroes was a number from Truro and surrounding country.

We may not have the names of all, but here are those that have Truro as their home town—

Jack W. Manners, Stuart J. Fraser, Chas. Bent Hoare, Robt. C. Mills, Jack H. MacDonald, George Pippy, M. H. Chapman, J. P. McIntosh, F. J. Taylor, Fred R. Fisher.

There were also in this bunch; H. E. Campbell, Montrose, Col. Co. Wm. R. Williams, Gt. Village, Col. Co. J. A. Parker, Owl's Head, Hfx. Co.

Boys, you are welcomed home by every resident, of town and country. We have followed you every step with interest. Your troubles we made ours, you have immortalized yourselves and a grateful country proffers each of you the laurel wreath of victory.

We will watch your future course and give you the helping hand, wherever possible. After a rest and your honorable discharge from Military duties fall into civilian life again and together help us to make "good, great and glorious," this heritage of the big Dominion of Canada that has been entrusted to our keeping.

DR. W. S. CARTER,  
Chief Superintendent of Education,  
New Brunswick.

### A REASONABLE PROTEST

Truro, Jan. 17, 1919  
Editor of The News:

Notice has been given that the rates for telephones are to be materially increased after this month. One would not object to a reasonable increase provided satisfactory service was given but at present the service is most unsatisfactory.

This morning I was met with the question "Where were you last evening? I telephoned several times but could not get you;" while all the evening I had been within a few steps of the telephone but got no call. Instances like this could be multiplied and this is only one kind of trouble there are many others.

Should not a strong protest be made, by telephone users, against any additional charge until we are assured of a better service?

Yours truly,  
S. D. McLELLAN.

### DALHOUSIE UNIT WILL SOON BE HOMEWARD BOUND.

Halifax, N. S., Jan. 18.—It is announced here that No. 7 Canadian Stationary Hospital, the Dalhousie University Unit, has been released from special duties it has been performing during the past season and is being held in readiness for early return to Canada.

The unit went overseas with Lieut. Col. John Stewart, C. A. M. C., and the Nursing Sisters were all Nova Scotians with Miss Laura M. Hubley, Hfx., well known in Truro, as Matron.

Two or three Colchester Dalhousie students were also attached to this Hospital Unit that has done such splendid work in France. The Matron received special honors from King George for her fine and efficient performance of duties in many emergencies, that bloody battles brought to this Canadian Hospital.

Kind and thoughtful Christmas and New Year's Greeting, decorated with Dalhousie College Colors, have lately been received by the Truro News Editor from Matron Hubley and from Pte. Roy D. MacNutt, Dal. '16, and these season's Greetings are heartily reciprocated, with the added wish that No. 7 Canadian Stationary Hospital in France may soon be a thing of the past—a matter of history.

—and that the efficient workers of this Hospital Unit may before long land in their native Nova Scotia.—Ed. News.

### PRINCE JOHN, SON OF KING GEORGE, DEAD.

The Youngest Son of His Majesty Passed Away in His Sleep.

London, Jan. 19.—Prince John, youngest son of King George, died at Sandringham last night. He had been ill for some time.

The Prince was possessed of exuberant spirits. He was the prime favorite of all classes and the idol of the servants and tenants at Windsor. It is said that he was the favorite brother of Princess Mary, who loved to romp with him.

The Prince was born at Sandringham, July 12, 1905.

An official bulletin issued this evening says: "Prince John, who since infancy suffered epileptic fits, which lately had become more frequent and severe, passed away in his sleep, following an attack at 5.30 p. m., Saturday."

Miss M. B. McCully formerly of Truro, now of Toronto: has been visiting relatives in Winnipeg, and is now the guest of her niece Mrs. M. Woollard, Brantford, Ont. and will shortly be back at her home Toronto. Miss McCully in renewing her subscription to the Weekly News says "we always see something in which we are interested."

### ANOTHER COLCHESTER SOLDIER WINS THE DISTINGUISHED CONDUCT MEDAL.

Sergt. Harold Cassidy, son of Councillor Cassidy, Tatamagouche, Fighting Bravely Gains D. C. M.

The London, Eng. Gazette of about December 27, 1918 has among the list of Distinguished Conduct Medal winners the following:—

414154 Sergt. Harold Cassidy 25th Battalion Infantry led his Platoon thru two days fighting under very heavy fire.

Sergt. Cassidy, son of Councillor Cassidy, Tatamagouche, enlisted as a Quartermaster Sergeant, he had drilled with the old 76th Regt., in the 40th Battalion in Halifax on May 4, 1915. He went overseas in the S. S. Saxonia, sailing from Quebec on October 18, 1915.

In England he was transferred to the fighting 25th Battalion and he was thru some pretty hot fighting especially in the fearful battles our troops had around Cambrai.

In these hot scraps the 25th bore themselves gloriously; and five Sergeants won the D. C. M. honors. Sergt. Cassidy got a bit of a wound in the foot, but not serious enough to send him to "Blighty".

He was sent in October last back to England to take instruction for an officers certificate and while there the Armistice was signed and Peace came; and this gallant Colchester lad was not one of the heroes to get to the Rhine.

### TWO UNIONISTS RE-ELECTED BY ENORMOUS MAJORITIES.

Sir A. Shirley Benn, at one time a resident of St. John, was re-elected to the British House of Commons by a majority of 10,923. He sits for Plymouth, Eng.

Donald McMaster, K. C., Montreal, was re-elected in Chertsey, Eng., with a majority of 10,299.

Lieut. Hugh While of England, is in Truro for a few days visiting his Aunt, Mrs. C. M. Dawson, and his Uncle Martin Dickie Manager of the Royal Bank of Canada. Lieut. While was invalided home from the front and is off on a short trip. He returns to England when the Olympic sails shortly. Lieut. While had two brothers in the War with him—one was killed the other wounded twice. These lads were born and lived their early lives in Russia—the sons of Colchester stock—their mother being formerly Miss Joan Dickie, of Truro.

### AGED PIONEER OF CLOVER BAR DIED SUDDENLY.

Leander Fulton, A Native of Colchester, died in Country Since 1883. Passes Away.

(Edmonton Paper.)

The death took place Thursday evening of Leander Fulton at his home in East Edmonton, one of the farm pioneers of the Edmonton district, who came west from Onslow, Col. Co. Nova Scotia in 1883 and took up land in the Clover Bar community. The deceased was within a few months of 80 years of age and only retired from active farm operations about eight years ago.

Mr. Fulton was a prominent member of that little group of intrepid pioneers who saw the wonderful opportunities of the west so many years ago and was willing by his own industry and hardihood to prove to the world the worth of his convictions. Needless to say he was recognized as one of the stalwarts of the pioneer group and his death will be keenly regretted by his old neighbors and friends. His wife and five children survive.

Of the four sons, two have served overseas. The eldest son, D. S. Fulton, is farming at Clover Bar. Harry Fulton resides in East Edmonton, his parents living nearby for the last eight years. Thomas Fulton was for many years in Alaska, but came out to enlist for war duties and spent two years overseas. He returned only two weeks ago. The other son, Hardy C. Fulton, went over with the 66th Batt., and transferred to the 49th in France. He is still overseas. A daughter, Mrs. Trimble, of Vegreville was at the bedside when her father passed away.

Two brothers of the late Mr. Fulton live east of Edmonton, Jehiel Fulton, at East Edmonton and Theo. Fulton at Hercules P. O. A third brother, Isaac lives at Wainwright.
