### COUNTY VISITORS

On Thursday last the members of the counties council came by special train to Athens to visit the House of Industry. They were escorted through every department of that institution by Manager Steacy and expressed themselves as delighted with the order and cleanliness everywhere apparent.

On invitation of Co. Councillor M. B. Holmes, reeve of Athens, the party came on to this station, where they were met by Mr. Joseph Thompson, chairman, and Messrs. Beach and Donnelley, trustees of the Model School, and Messrs. W. G. Parish and H. H. Arnold of the High School. They first visited the Model School and assembled in the room devoted to the training of teachers, where they were introduced by Mr. Holmes and warmly welcomed by Principal Burchell. Brief addresses, commending the work of the school, were given by Warden Kidd and Dr. Preston, Chairman of the Educational Committee of the Co. Council, and an able and practical address to the teachers in training was delivered by Mr. Britton. Principal Burchell made fitting acknowledgement of the kind words spoken and, on invitation, Mr. Thompson also spoke briefly.

The party then proceeded to the A.H.S. where they were welcomed by Principal Massey and conducted through the different rooms, finally assembling in the lecture room. Here the students from the other forms were summoned, and it was an inspiring sight to see them fyte in—representatives of the hopes and aspirations of so many homes throughout the country. Warden Kidd, Dr. Preston and Mr. Britton again spoke—the Warden on general lines, Dr. Preston on the need of caring for the health of both teacher and pupils, and Mr. Britton on Education as a source of happiness and remuneration. The addresses were exceedingly practical and were heard with pleasure.

Principal Massey and Mr. Parish replied briefly to the words of praise spoken of the A.H.S., and here, as at the A.M.S., the visit closed with the national anthem, heartily sung by the students. The school "yells" of both the boys and the girls were also given as a demonstration that their vocal organs were being properly trained.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thorough, harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties of Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. All dealers.

### SPECIAL PRIZES FOR POULTRY

A special prize list is being prepared for poultry at the Eastern Ontario Livestock and Poultry Show at Ottawa, January 20th to 24th, 1908. The specials will have a value of over \$500.00 and including 22 silver cups, several medals, silk ribbons by specialty clubs, goods and over \$100.00 in cash. The cash offered in regular prizes amounts to \$2000.00, so that altogether prizes to a value of \$2500.00 are offered for poultry. Intending exhibitors should apply to A. P. Westervelt, Secretary, Parliament Building, Toronto, for a copy of the Special List, which will be ready for distribution about the 12th of December.

The poultry exhibition room at this Show is a splendid place in which to display poultry. Every part is well lighted and galvanized iron wire cages are provided for all birds. The entry fee covers the cost of cooping and food during the time the birds are at the Show. Breeders who wish to increase their sale of birds and eggs can not do more effective advertising than by exhibiting at this Show.

### HON. DANIEL DERBYSHIRE

On Saturday last announcement was made that Mr. D. Derbyshire of Brockville had been called to the Senate of Canada—a position for which he is eminently qualified by his business and public career.

Mr. Derbyshire was born in Plum Hollow in 1846, and when the editor of the Reporter first met him, twenty-two years ago, he was preaching the gospel of good dairying to his old friends and neighbors at a reunion held in Joe Knapp's cheese factory. He has been closely identified with the cheese industry all his life, and was for many years president of the E.O.D.A. He was educated at the Farmer's high school—a school (the Recorder says) that then and has since held a foremost place among the educational institutions of Ontario.

As parliamentary representative for this riding, he was most attentive to the interests of his constituency, and was popular throughout the riding. News of his call to the senate was received with pleasure by both Liberals and Conservatives.

### EASY TO MIX THIS

What will appear very interesting to many people here is the article taken from a New York daily paper, giving a simple prescription, as formulated by a noted authority, who claims that he has found a positive remedy to cure almost any case of backache or kidney or bladder derangements, in the following simple prescription, if taken before the stage of Bright's disease:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

A well known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic affections with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acids and waste matter which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

Vinol is so rich in the elements of life that it imparts vigor to all debilitated and feeble conditions and is unexcelled as a remedy for pulmonary troubles.

Try Vinol on your guarantee to return your money if it fails to give satisfaction. J. P. Lamb & Son, Druggists, Athens, Ont.

### Foreign Missions

The November issue of Onward is rendered specially interesting by its publication of engravings of the men engaged in mission work under the General Board. We notice these familiar faces:

- Rev H. H. Coates, M.A., D.D.
  - Rev W. G. Connolly, B.A.
  - Rev Geo. E. Hartwell, B.A., B.D.
  - Rev G. H. R.ley.
  - Rev R. F. McAmmond.
  - Rev C. W. Service, B.A., M.D.
- Onward also contains an engraving of the late C. E. Kilborn, M.D., C.M., whose death we chronicled a few weeks ago.

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people—without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Catarrh Remedy. Sold by all dealers.
