THE HOUSE WITH THE STOCK

BRISTOL N. B.

SINCE OCTOBER 1 WE ARE DOING A
STRICTLY CASH BASIS

and will sell no more goods on CREDIT after that date. All kinds of Produce will be accepted same as Cash.

Every REASONABLE and SENSIBLE person knows that in the long run this will be much better for BOTH my CUSTOMERS and myself for I can sell my goods MUCH CHEAPER and yet have more clear profit, as it will save the big expense of Book-keeping and Book-keeping supplies, cost of making out accounts and mailing them, and the BIGGEST LOSS of all, in BAD DEBTS and loss of interest on overdue accounts.

Further arguments in favor of the Cash System is unnecessary as EVERY ONE KNOWS we can SELL CHEAPER for CASH than on Credit and we are going to do so. Watch for ANNOUNCEMENTS of SPECIAL CASH SALE prices later. We will prove that we will SAVE YOU MONEY.

Come and Trade at the Cash Store.

"Do Your Christmas Shopping Early"

Perhaps we are a little early with the slogan, "Do Your Christmas Shopping Early," but we are going to make a suggestion to you. Now, honest in-jun, we feel real diffidence, real bashfulness, about making this suggestion: "It kind of sounds, we feel, as if we were cracking ourselves up. Well, here goes. We'll blurt out the news.

During the last week, nearly every commodity in the grocery line Advanced. Tea for one thing advanced ten cents per pound. Having a **HEAVY STOCK OF GROCERIES** on hand and en route I will still sell at the old prices. So I make the suggestion, **SHOP EARLY.** Am unloading a consignment this week of **FIVE CROWNS FLOUR**

This flour is ground from the best Manitoba hard wheat and has to make good as we sell it under a positive guarantee. Your money back if not satisfied.

I have sweet **APPLE CIDER** for your mince-meat. **CITRON, ORANGE and LEMON PEELS**, in fact everything good for Christmas.

Oh yes, I nearly forgot, I have a lot of

HEAVY UNDERWEAR

for men that will be sold cheap. It will wear like a woman's tongue.

Remember, that under our principle of selling for CASH or PRODUCE ONLY—the pay-as-you-go principle—we have been able to sell cheaper, turn our goods over quicker, and take our cash discounts, all of which advantages we pass on to YOU, our customers. The result is that we are doing MORE business for CASH this year than we did last year for CREDIT. Get the habit of BUYING FOR CASH. The jingle of real money works like magic in our store.
