The Gleaner.

AAS. N. CROCKET, - - - EDITOR AND PROPRIETOR. NATURDAY, OCTOBER 22, 1887.

n the office immediately below Mr. G A

formed at Belleville. At one of its recent sessions a resolution was passed declaring that free commercial intercourse with the United States would be advantageous to Canada. An extensive manufacturer of agricultural implements, who was present, said that there was scarcely an industry in Canada shat would not be benefited by commercial union. He did not, nor did many other manufacturers, fear competition, as Canada had the material preducts for all classes of manufactures and could hold her own in any washest. The Others Press Press talls us was secret and support the products of the Clica-generate and could hold her own in any washest. The Others Press Press talls us was secret and support the products of the Clica-generate and could hold her own in any washest. The Others Press Press talls us was secret in the commercial union. The Others Press Press talls us was secret in the commercial was present that the commercial was secret to the manufacturers and could hold her own in any washest. The Others Press Press talls us was secret to the manufactures and could hold her own in any washest. The Others Press talls us was secret to the manufacturers and could hold her own in any washest. The Others Press talls us was secret to the manufacturers and could held her own in any washest. The Others Press talls us was secret to the manufacturer that they find themselves in opposition. Having been taught all their lives to look to the treasury for support they have no other means of maintaining them solves, and unless the old order of things were \$298,164.17, an excess of \$208,592.37 over current expenditures.

Justice Harlan, counsel for the Chica-generate and sake for a writ of error.

NEW BRUSSWECK HORSES. formed at Belleville. At one of its recent matter of grave national concern.

ent sovereign, the average duration of human life has increased nineteen years — that is, from thirty to forty-nine years. — and this with very imperfect sanitary laws.

The vexed question as to whom Tennyson referred to in his verse in "In Memoriam".

moriam"—

"I hold in truth, with him who sings
To one clear harp in divers tones,
That men may rise on a tepping-stones
Or their dead selves to higher things,"
has been settled by an intimate friend
last the discontinuation of him samples, because the Ireland some weeks ago on a mission from the Pope, made a speech Thursday evening at a banquet given in his honor by Catholic clergymen of Dublin. In the course of him samples, because the contraction of him samples, because the results of the samples are the samples and the samples are th all business in connection with the omco will hereafter be done. The fittings of the Laureate, Dr. Gatty, who says that tennew premises are not yet complete, but in a few days we expect to have everything in proper shape.

| As been settled by an intimate friend of the connection of the Laureate, Dr. Gatty, who says that Tennyson stated to him that Goethe was meant.

| PRESS OPINIONS. |

Some women, we hear, are complaining because they do not have a club. They do not need a club. They have the rolling pin.

It is wicked for men to flirt, but the women are to blame for it after all. If there were no women it is certain that men would never think of flirting. Naval academies and school ships turn out pretty good skippers, but Capiain Norris says old cheese can double dis-count them when it comes to quantity.
