**WATERY BLOOD IN THE SPRING**

**How To Get New Health and New Strength at This Season.**

Even the most robust find the winter months trying to their health. Confinement indoors, often in over-heated and nearly always badly ventilated rooms—in the house, the office, the shops and the school—taxes the vitality of even the strongest. The blood becomes thin and watery or clogged with impurities. Some people have headaches and a feeling of languor; others are low spirited and nervous; still others have pimples and skin eruptions; while some get up in the morning feeling just as tired as when they went to bed. These are all spring symptoms that the blood is out of order, and that a medicine is needed. Many people rush to purgative medicines in the spring. This is a mistake. You cannot cure these troubles with a medicine that galls through your system and leaves you weaker still. What you need to give you health and strength in the spring is a tonic medicine that will enrich the blood and soothe the jangled nerves, and the one always reliable tonic and blood-builder is Dr. Williams' Pink Pills. These Pills not only banish spring weaknesses and ills but guard you against the more serious ailments that follow, such as anemia, nervous debility, indigestion, rheumatism and all other diseases due to bad blood. Dr. Williams' Pink Pills actually make new, rich, red blood which strengthens every nerve, every organ and every part of the body, and makes weak, ailing people bright, happy and strong. Mrs. Mas. McDonald, H. recout, N. B., says: "In my opinion Dr. Williams' Pink Pills do all that is claimed for them. My stomach was run down, and I was so weak I could hardly do my work, and making care for my baby added to my difficulties. I used a few boxes of Dr. Williams' Pink Pills and they made me feel like my own self. I very cheerfully recommend the Pills to all who are weak or ailing."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The report of N. J. Morrison, grand secretary, after welcoming the members, declared the past year was one of the most prosperous in the history of the organization.

The new lodges organized during the year were:

- Centreville, No. 63, at Centreville, Carleton county.
- Drummond, No. 81, at Burnt Church Northumberland.
- Midgie No. 119, at Midgie, Westmorland.

- King's Cwn, No. 140, at Dipper Harbor.
- No. 93, at Belyea's Cove, Queens.

Two dormant lodges were re-constituted—McArthur, No. 115 and Cape Rocks, No. 128. During the year four lodges were incorporated.

Returns have been received from 134 primary, 1 district, 15 county lodges, and 12 scarlet chapters, with 11 primary, 2 county and 5 scarlet chapters to hear from. These show that there were:

The grand secretary commended the Orange Sentinel to the members and commended the Campbellton lodges for their energetic efforts following the fire.

A very strong resolution was adopted condemning the church of Rome for its attitude re mixed marriages and its declaration re persons married by Protestant ministers, and calling upon the Legislature to enact a special law which will make it a criminal offense for any minister of any denomination, who, in the exercise of his duties, disturbs the peace of families or seek to annoy any British subject in the full exercise of his civil rights, or from doing that which the laws of Canada permit him to do, under a fine or imprisonment.

The following also passed: "Resolved that this Grand Lodge of New Brunswick put itself on record as being strongly opposed to said reciprocity as now before the parliament of Canada. In the opinion of this Grand Lodge such treaty would tend to weaken the tie that binds to the mother country."

Harry A. Taylor represented No. 100, the Grand Lodge of New Brunswick, at the annual meeting of the year areas follows—G. M. Rev. B. H. Thomas; Senior Deputy G. M. Ira F. Brown; Junior G. D. M. J. H.
